# Credentialing, Recredentialing & Updating Your Information

## Credentialing is Required for Network Participation

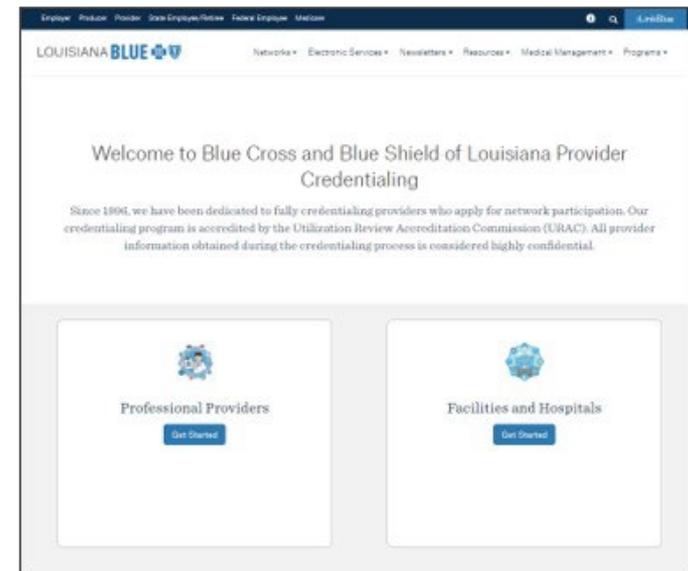

Louisiana Blue credentials all practitioners and facilities that participate in our networks.

We partner with **symplrCVO** to conduct credentialing verification processes for our commercial networks.

To join our networks, you must complete and submit documentation to start the credentialing process or to obtain a provider record.

- Go to the [Join Our Networks](#) page then, select [Professional Providers](#) or [Facilities and Hospitals](#) to find:
  - Credentialing packets
  - Quick links to the Provider Update Request Form
  - Credentialing criteria for professional, facility and hospital-based providers
  - Frequently asked questions (FAQs)

[www.lablue.com/providers](http://www.lablue.com/providers) > Network Enrollment > Join Our Networks

The following facility types must meet certain criteria to participate in our networks:

- Ambulance Service
- Ambulatory Surgical Center
- Birthing Centers
- Cardiac Cath Lab (Outpatient)
- Diagnostic Services
- Dialysis Facility
- DME Supplier
- Emergency Medicine Physician Groups
- Home Health Agency
- Home Infusion
- Hospice
- Hospitals
- IOP/PHP Psych/CDU
- Laboratory
- Lithotripsy/Orthotripsy
- Nursing Home
- Radiation Center
- Residential Treatment
- Retail Health Clinic
- Skilled Nursing Facility
- Sleep Lab/Center
- Specialty Pharmacy
- Urgent Care Clinic

View the *Credentialing Criteria* for these facility types at [www.lablue.com/providers](http://www.lablue.com/providers) >Network Enrollment >Join Our Networks >Facilities and Hospitals >Credentialing Process.

A hospital-based provider is defined as a provider that **only** sees patients as a result of their being admitted or directed to the hospital.

- The classification as a hospital-based provider applies for the hospital location only and NOT for any other practice locations outside the hospital.
- Hospital-based providers can be allowed to participate in our networks without credentialing requirements. We do not list those providers in the directory and allow the hospital's credentialing to stand.

A provider is **NOT considered hospital-based** if they have patients referred directly to them from another physician or organization or if the member can make an appointment with the physician.

It is important that we always have your most current information!

Our **Provider Update Request Form** accommodates all your change requests, which are handled directly by our Provider Data Management team.

This form allows you to make any of the following changes. Simply check the appropriate box(es) to indicate the type of change needed. You may select more than one option.

# Our Networks

# Louisiana Blue's Provider Networks

Louisiana Blue offers several provider networks that are tied to our members' benefit plans. These networks include:

- Preferred Care PPO
- HMO Louisiana, Inc.
- Blue Connect
- BlueHPN
- Community Blue
- Precision Blue
- Signature Blue (Extended Parishes)
- Blue Advantage (HMO) | Blue Advantage (PPO)
- Ochsner Health Network
- Federal Employee Program (FEP)

Our Identification Card Guide Provider Tidbit is a guide to identify members' applicable networks when looking at the ID card. Go to [www.lablue.com/providers](http://www.lablue.com/providers), click "Resources," then "Provider Tidbits."

### Identification Card Guide

Blue Cross and Blue Shield of Louisiana Identification (ID) cards are useful tools for members and providers. They are designed to assist you in identifying the member's type of coverage. Always ask for a copy of the member ID card at each visit. Please always verify the member's eligibility, benefits and limitations prior to providing services. To do this, use iLinkBlue ([www.lablue.com/mlinkblue](http://www.lablue.com/mlinkblue)).

#### Preferred Care PPO

**Prefix Varies**

Our Preferred Care PPO network includes hospitals, physicians and allied providers. Members with PPO benefit plans receive the highest level of benefits when they receive services from PPO providers.

Preferred Care PPO members are identifiable by the Louisiana Blue logo and "Preferred Care PPO Network" printed on their ID cards. The "PPO-in-a-suitcase" logo identifies the nationwide BlueCard® Program. For more information, view the *Preferred Care PPO Network Speed Guide*, available online at [www.lablue.com/providers](http://www.lablue.com/providers) > Resources.

Preferred Care PPO ID cards are issued to each member on the policy. When the member has Advantage Plus Dental or Advantage Plus 2.0 Dental Network coverage, it is indicated on the member ID card.

#### HMO Louisiana, Inc.

**Prefix Varies**

HMO Louisiana, Inc. is a wholly owned subsidiary of Louisiana Blue. The HMO Louisiana provider network is a select group of physicians, hospitals and allied providers who provide services to individuals and employer groups seeking managed care benefit plans. The HMO Louisiana network is offered statewide. HMO Louisiana allows members to choose from both HMO and Point of Service (POS) benefit plans. Certain POS plans may not be available in all parishes. See plan details for more information.

Members pay a lower copayment when they receive services from primary care providers (PCPs). For more information, view the *HMO Louisiana, Inc. Network Speed Guide*, available online at [www.lablue.com/providers](http://www.lablue.com/providers) > Resources.

The main identifier of an HMO Louisiana member is the HMO Louisiana logo in the top left corner of the ID card. Cards also indicate the product type as either an HMO Plan or HMO/POS Plan.

HMO Louisiana ID cards are issued to each member on the policy. When the member has Advantage Plus Dental or Advantage Plus 2.0 Dental Network coverage, it is indicated on the member ID card. Fully insured HMO Louisiana members must select a primary care provider.

BlueCard® is a national program that enables members of any Blue Cross Blue Shield (BCBS) Plan to obtain healthcare services while traveling or living in another BCBS Plan service area. The main identifiers are the prefix and the “suitcase” logo on the member ID card.

---

The suitcase logo provides the following information about the member:

The PPOB suitcase indicates the member has access to the exchange PPO network, referred to as BlueCard PPO basic.

The PPO suitcase indicates the member is enrolled in a Blue Plan PPO or EPO product.

The empty suitcase indicates the member is enrolled in a Blue Plan traditional, HMO, POS or limited benefits product.

The HPN suitcase logo indicates the member is enrolled in a Blue High Performance Network® (BlueHPN®) product.

# National Alliance Members (South Carolina Partnership)

- National Alliance groups are administered through Louisiana Blue's partnership agreement with Blue Cross and Blue Shield of South Carolina (BCBSSC).
- Louisiana Blue taglines are present on the member ID cards; however, customer service, provider service and precertification are handled by BCBSSC.
- Claims are processed through the BlueCard program.

## Network providers should always refer members to other network providers.

- Referrals to out-of-network providers result in significantly higher cost shares (deductibles, coinsurance and copayments) for our members and is a breach of your Louisiana Blue provider agreement.
- Providers who consistently refer to out-of-network providers will be audited and may be subject to a **reduction** in their network reimbursement.

The impact on your patients when you refer Louisiana Blue members to out-of-network providers include:

- Higher cost shares (deductibles, coinsurances, copayments)
- No benefits for some members
- Balance billing to member for all amounts not paid by Louisiana Blue if the provider is non-participating

You can find network providers to refer members to in our online provider directories at [www.lablue.com](http://www.lablue.com) >Find a Doctor.

If a provider continues to refer patients to out-of-network providers, their entire fee schedule could be reduced.

- All of our network providers should refer members to preferred reference lab vendors when lab services are needed and are not performed in the facility.
- Louisiana Blue discourages hospital billing for services as a reference lab when they are not contracted as a reference lab with us.
- Preoperative lab services rendered before an inpatient stay or outpatient procedure may be performed by an in-network hospital.

The ordering/referring provider NPI is required on all laboratory claims. Place the NPI in the indicated blocks:

- UB-04: Block 78
- 837I: 2310D loop, segment NM1 with the qualifier of DN in the NM101 element

For more information, view the *HMO Preferred Reference Lab Guide* and the *PPO Preferred Reference Lab Guide*, which are both available online at [www.lablue.com/providers](http://www.lablue.com/providers) >Resources >Speed Guides.

# Online Resources

**Keeping your information updated is extremely important to help our members find you.**

We publish demographic information in our online provider directory. The directory is available on our website at [www.lablue.com](http://www.lablue.com).

- Addresses (location information)
- Phone numbers
- Accepting new patients
- Providers working at certain locations
- Information about telehealth services

For professional providers to be listed in our directories, they must be available to schedule patients' appointments a **minimum of 8 hours per week** at the location listed.

It is the contractual responsibility of all participating providers keep their information current with Louisiana Blue. To report changes in your information, use the [Provider Update Request Form](#). Our Provider Credentialing & Data Management Department will work with you to help ensure your information is current and accurate.

## PROVIDER NOTICES

### Lab Reimbursement Policy Update

**Audience:** All professional and facility providers should read this message.

Part of the Blue Cross and Blue Shield of Louisiana Laboratory Benefit Management Program requires routine reviews, updates and implementations of laboratory reimbursement policies as needed. As a result of our most recent review, we revised the below lab reimbursement policy, effective November 15, 2024.

## UPCOMING EVENTS

Register Today!

Louisiana Blue offers training events for our providers that focus on Louisiana Blue processes, programs and resources. Please pre-register for the event(s) you wish to attend. Once registered, you will receive an email with information and instructions on how to join the webinar.

### Risk Adjustment 101 Webinar

**Date:** August 20, 2024  
**Time:** 12 - 1 p.m.

[Register](#)

The Centers for Medicare and Medicaid Services (CMS) and the Department of Health and Human Services (HHS) use Risk Adjustment to ensure health plans are able to appropriately provide benefits and access to care for enrollees. Proper documentation of conditions, and thus coding accuracy, play a crucial role in the risk adjustment process. We will discuss documentation best practices, miscoded conditions that we see in our audits, as well as conditions typically seen in the Office of Inspector General's (OIG's) audits.

**Who should attend?**  
Your organization's medical and coding staff.

Important information to share with others at your organization!

Blue Cross and Blue Shield of Louisiana is an independent licensee of the Blue Cross Blue Shield Association.

# Using iLinkBlue

# What is iLinkBlue?

iLinkBlue is Louisiana Blue's secure online provider portal.

no cost to providers

user-friendly navigation

secure auth applications

The screenshot displays the iLinkBlue provider portal. At the top, there is a navigation bar with the Louisiana Blue logo and the iLinkBlue name. Below this is a main menu with options like Coverage, Claims, Payments, Authorizations, Quality & Treatment, and Resources. The main content area features a 'Welcome to iLinkBlue' section with 'Tips to Know' and a 'When submitting an Action Request' section. There are also two prominent cards: 'Refund Letters' with a warning icon and 'Medical Record Requests' showing '0 new Medical Record Requests that require action'. A secondary navigation bar contains icons for Research Claims, BCBSLA Coverage, OOA Coverage, Need an Auth?, Payment Registers, and EFT Notices. The bottom section includes 'Important Blue Cross Messages' with a holiday notice and an informational message about the Estimated Treatment Cost Tool, and a sidebar for 'Other Sites' listing Davis Vision Network, Dental Advantage Plus Network - United Concordia Dental, Blue adVantage, and Healthy Blue.

## What is an Administrative Representative?

- An administrative representative is a person at your organization who has registered with Louisiana Blue to designate user access to our secure online services.
- They only grant access to those employees who legitimately must have access to fulfill their job responsibilities.
- Your administrative representative must grant a user access to the following:
  - iLinkBlue
  - BCBSLA Authorizations
  - Behavioral Health Authorizations
  - Pre-Service Review
- One administrative representative is required to self-manage user access to our secure online services, but we recommend each organization assign more than one.

If you do not have an administrative representative registered with Louisiana Blue, please fill out and submit the Administrative Representative Registration Packet, which can be found on our Provider page ([www.lablue.com/providers](http://www.lablue.com/providers)).

Louisiana Blue requires that provider organizations have at least one **administrative representative** to manage our secure online services.

**Louisiana** Instructions for Accessing Our Secure Online Services

Blue Cross offers many online services that require secure access. Blue Cross requires that each provider organization must designate at least one administrative representative to self-manage user access to our secure online services. These services include applications such as:

- iLinkBlue
- BCBSLA Authorizations
- Behavioral Health Authorizations
- Pre-Service Review for Out-of-Area Members (for BlueCard® members)
- and more (as we develop new services)

**To Report Your Administrative Representative to Blue Cross:**

1. Determine who at your organization should be an administrative representative.
2. Complete the Administrative Representative Registration Form that includes the Acknowledgment Form (on the following pages). Send completed documents to our Provider Identity Management (PIM) Team.  
Email: [PIMTeam@bcbsla.com](mailto:PIMTeam@bcbsla.com) Fax: 1-800-515-1128  
Attn: Provider Identity Management
3. Once your administrative representative is set up, they will receive a welcome email.

**Need Help?**  
If you have questions regarding the administrative representative setup process, please contact our PIM Team.  
Email: [PIMTeam@bcbsla.com](mailto:PIMTeam@bcbsla.com)  
Phone: 1-800-716-2299, option 5

**What is an Administrative Representative?**

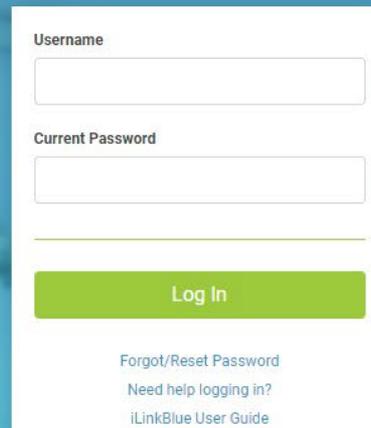

- A person designated to serve as the key person for delegating access to our secure online services to appropriate users for the provider.
- A person who agrees to adhere to Blue Cross' guidelines.
- A person who will only grant access to those employees who legitimately must have access in order to fulfill their job responsibilities.
- A person who promptly terminates employee access when an employee changes roles or terminates employment.

18AW0297 R06/22 Blue Cross and Blue Shield of Louisiana is an independent licensee of the Blue Cross Blue Shield Association.

## Administrative representative duties include:

- ✓ Identify users at your organization who will need access to our secure online services.
- ✓ Assign individual users the appropriate access to applications.
- ✓ Manage users and terminate user access when it is no longer needed.

Detailed instructions and the Administrative Representative Registration Packet can be found on our Provider Page at [www.lablue.com/providers](http://www.lablue.com/providers) >Electronic Services >Admin Reps.

The screenshot shows a login form with the following elements:

- [Need help logging in?](#): A link below the Forgot/Reset Password link.
- [iLinkBlue User Guide](#): A link below the Need help logging in? link.

## Logging in for the first time:

- Password must be reset.
- Click on the “Forgot/Reset Password” button.
- Follow the prompts, enter your username and click the “Request Password” button.
- The system will send you an email to reset your password. Click on the link in the email. Follow the prompts.

Passwords must be eight positions and contain a number, an uppercase letter, a lowercase letter and one special character (~! @#\$%^&). Do not use your browser's password manager function to save or store your password. This can prevent you from changing your password when it expires.

iLinkBlue accounts that are not accessed for 180 days are locked due to inactivity. **Reach out to your administrative representative to have your account reset.**

If you are the administrative representative and need your password reset, reach out to the Provider Identity Management (PIM) Team.

**Phone:** 1-800-716-2299, option 5  
Monday – Friday 7:30 a.m. to 4 p.m.

**Email:** [PIMteam@lablue.com](mailto:PIMteam@lablue.com)

Multi-factor authentication (MFA) is required to securely access iLinkBlue. MFA is a security feature that delivers a unique identifier passcode via email, text and other formats. To set up MFA, you must register an authentication method with PingID.

We recommend registering **two or more** options for account recovery.

PingID Registration

### Authentication Method Selection

cancel, all previously registered devices will be removed from you

Powered by PingIdentity

If your email or phone number should change, you must contact our PIM Department ([ProviderIdentMgmt@lablue.com](mailto:ProviderIdentMgmt@lablue.com)) to delete the old information and add the new.

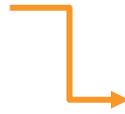

When you log in, PingID will send a passcode to your registered method and prompt you to enter it on your computer.

## Top Navigation

The top navigation streamlines the iLinkBlue functions under six menus. When you click a menu option, a sub-menu appears that includes relevant features.

## Refund Letters

Providers now have a shortcut to check/search for Refund Request Letters.

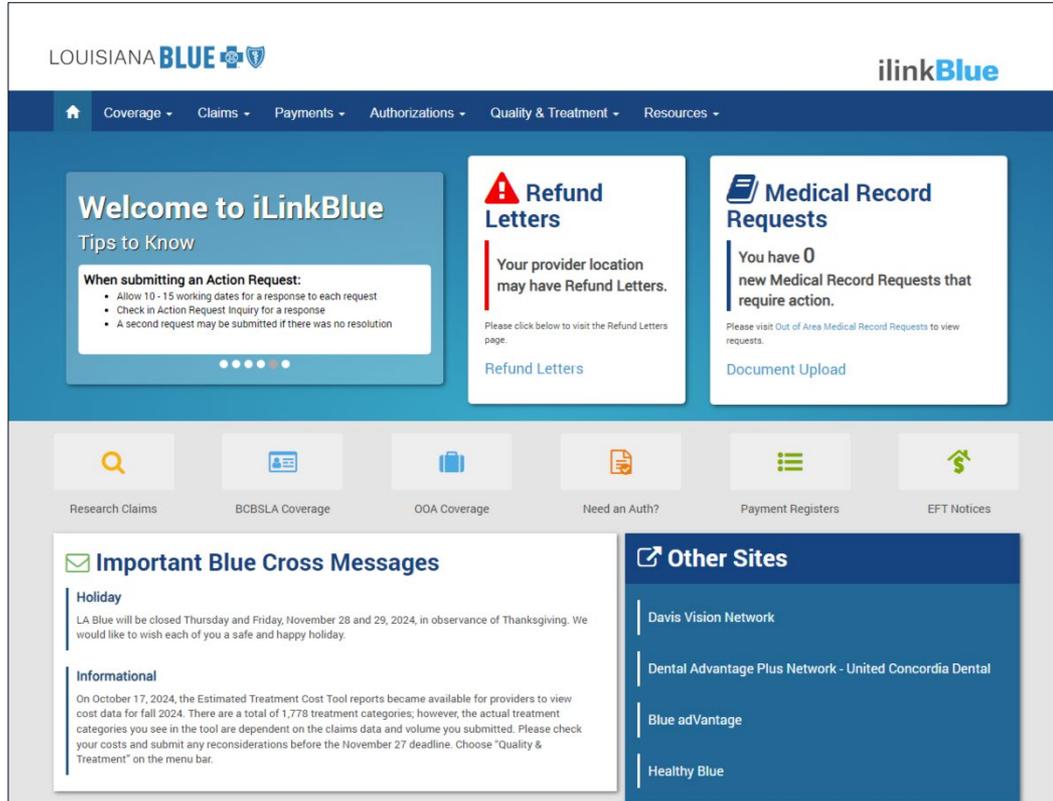

## Quick Links

This area contains shortcuts to the six most-used iLinkBlue functions.

## Message Board

Contains up-to-the minute posts for upcoming events, new features, system outages, holiday notices and other important bulletins.

## Medical Record Requests

You receive an alert when you have Out of Area Medical Record Requests for BlueCard members. To view these requests, click the "Out of Area Medical Record Requests" link on the alert. This does not include medical record requests for BCBSLA members. To upload medical records and other documents, click the "Document Upload" link.

## Other Sites

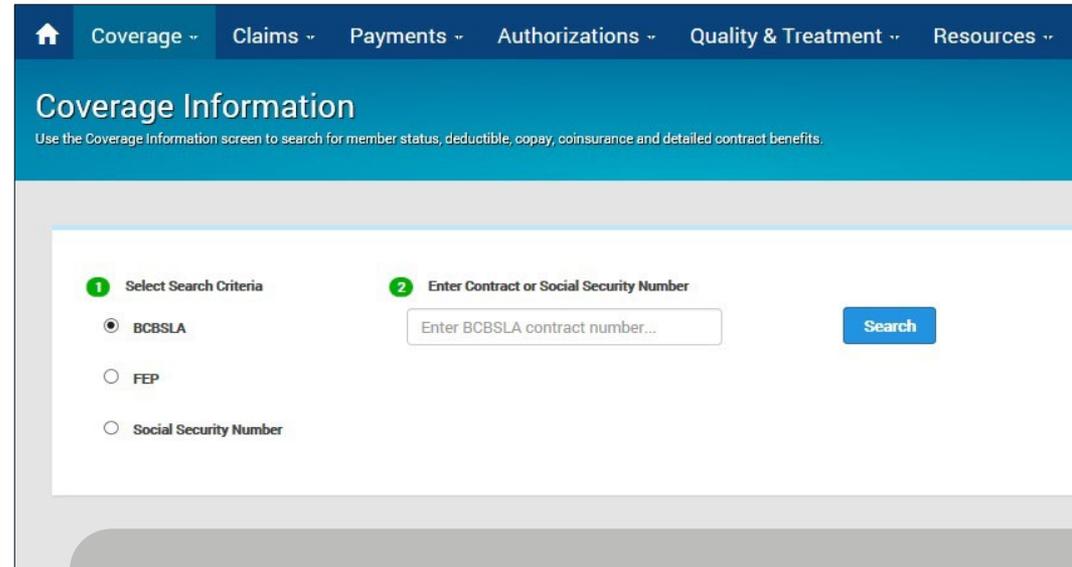

We provide quick access to other sites a provider might need to access.

Use iLinkBlue ([www.lablue.com/ilinkblue](http://www.lablue.com/ilinkblue)) to lookup a member's coverage information.

Choose the "Coverage" menu option. Enter the member ID number to view coverage information for:

- BCBSLA (including HMO Louisiana, Inc.) members
- FEP members. This section is not used for out-of-area members.

## Tips

- BCBSLA – do not include the member's prefix.
- FEP – must include the letter "R"
- A different application is used for BlueCard (out-of-area) members

If you do not have the member ID number, you can search using the subscriber's Social Security Number (SSN), when available. iLinkBlue will return search results with the member ID number. An error message will display if searching by a dependent's SSN. It must be the SSN of the policy holder.

This screen identifies members covered on a policy, effective date and the status of the contract (active, pending, cancelled).

- The **View ID Card** button allows you to download a PDF of the member ID card.
- The **Summary** button allows you to view a benefit summary. It includes the member's cost share (deductible, copay and coinsurance) and remaining out-of-pocket amounts.
- The **Benefits** button allows you to view the coverage details of the member's benefits plan.
- The **View COB** button allows you to view coordination of benefits information.

This application is for acute-care hospitals and ambulatory surgical centers (ASCs) that are on a contracted fee schedule only.

- When searching for an allowable charge enter the date of service, appropriate network and the code.
- The date of service is important because you can search current, past or future (when available) allowable charges.

Providers now have access to electronic copies of Refund Request letters in iLinkBlue.

- The letters are accessible for 24 months from their issue date.
- We will continue to grow this feature to include other types of letters in the future.

# Louisiana Blue Policies and Procedures

Louisiana Blue has partnered with Avalon Healthcare Solutions to manage our laboratory benefit management program.

Avalon provides:

- routine testing management services to ensure enforcement of laboratory policies
- automated review of high-volume, low-cost laboratory claims.

Louisiana Blue applies Avalon's automated policy enforcement to claims reporting laboratory services performed in office, hospital outpatient and independent laboratory locations.

*Note: Laboratory services, tests and procedures provided in emergency room, hospital observation and hospital inpatient settings are excluded from this program.*

Providers can review and research laboratory policies and guidelines online at [www.lablue.com/providers](http://www.lablue.com/providers), click on "Medical Management," then "Lab Management."

- If services were denied due to an Avalon policy, the policy number will appear on the provider payment register.
- You can then access our policies and procedures, put the policy number in the search field and it will display the policy and criteria.

## Blue Cross and Blue Shield of Louisiana Health Laboratory Testing Policies

Blue Cross and Blue Shield of Louisiana (BCBSLA) has partnered with Avalon Healthcare Solutions for Laboratory Benefits Management (LBM) in order to administer Avalon's Routine Testing Management (RTM), a post-service pre-payment clinical claim editing program. The laboratory testing policies for the RTM program are accessible through the links below. These policies are specific to BCBSLA network and product requirements and in alignment with its policies, rules, and/or state and federal contracts. In the event of a conflict, BCBSLA's policies, rules, and/or state and federal contracts will take precedence.

The RTM policies below are effective for claims with a date of service of May 15th, 2022, and later.

- F2019: Flow Cytometry
- G2002: Cervical Cancer Screening
- G2005: Vitamin D Testing
- G2006: Diabetes Mellitus Testing
- G2007: Prostate Biopsies
- G2008: Prostate Specific Antigen (PSA) Testing
- G2009: Preventive Screening in Adults
- G2011: Diagnostic Testing of Iron Hemostasis and Metabolism
- G2012: Testosterone

# Accessing Medical Policies in iLinkBlue

- Use the “Authorizations” menu option to access our **Medical Policy Index**.
- Policies are listed in alpha order or you may search by policy number or procedure code.

1

The screenshot shows the iLinkBlue navigation menu with 'Authorizations' selected. Underneath, there are three main categories: 'Authorizations Guidelines', 'Authorizations - BCBSLA Members', and 'Authorizations - Out of Area Members'. Under 'Authorizations - BCBSLA Members', 'Medical Policy Guidelines' is circled in orange. Under 'Authorizations - Out of Area Members', 'Medical Policy Guidelines' is also circled in orange.

The screenshot shows a 'provider networknews' newsletter for Q4 2024. The 'MEDICAL POLICY UPDATE' section is highlighted with a red box. It lists various policy updates with their effective dates and brief descriptions.

2

The screenshot shows the 'Medical Policies' search interface. It features a search bar with the placeholder text 'Enter Keyword' and a magnifying glass icon. Above the search bar, there are three tabs: 'Keyword', 'Letter', and 'View All'. Below the search bar, there is a small icon of a person and the text 'Please choose how you want to search for medical policies.'

Medical policies are reviewed annually and are updated throughout the year as needed. We publish these updates in our quarterly *Provider Network News* newsletters, available online at [www.lablue.com/providers](http://www.lablue.com/providers) >Newsletters.

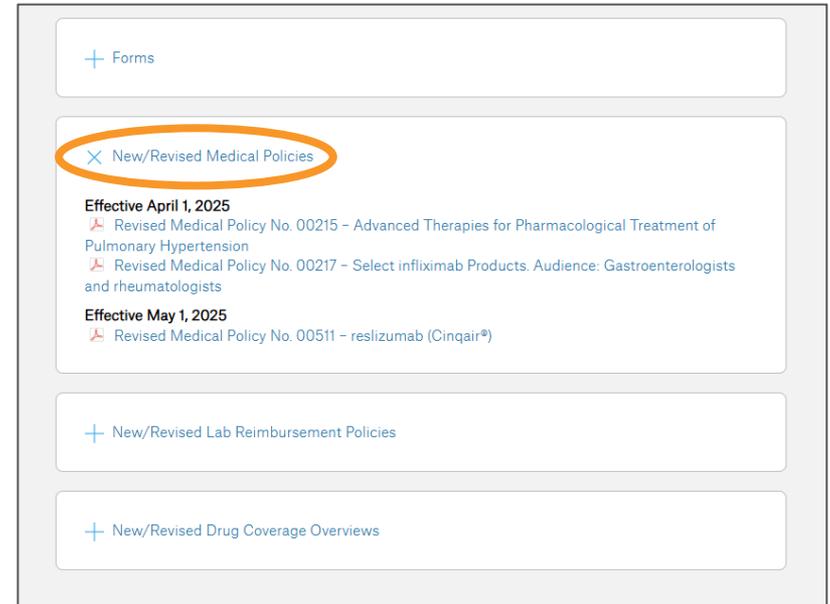

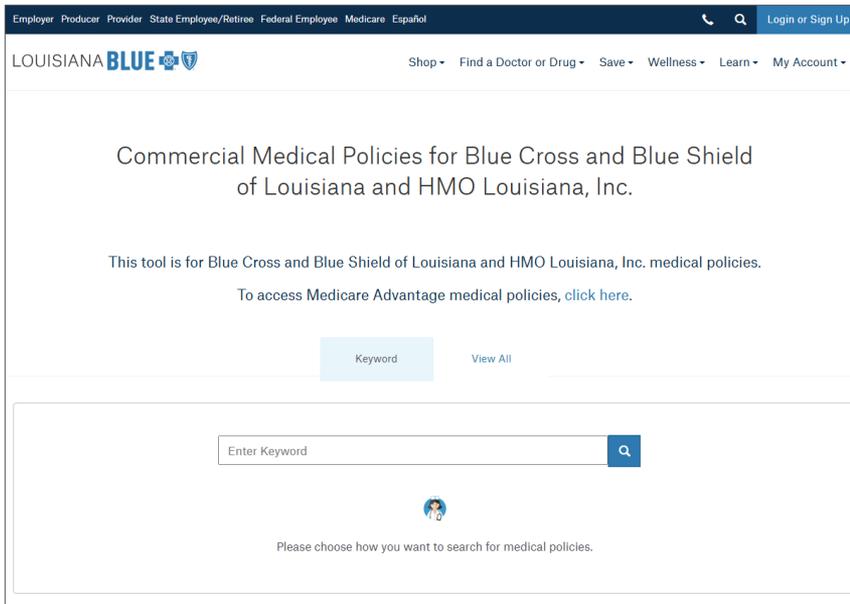

FEP Medical Policy Guidelines can be found on iLinkBlue ([www.lablue.com/ilinkblue](http://www.lablue.com/ilinkblue)) under Authorizations.

## Out of Area Members

### Medical Policy Guidelines

Just as Louisiana Blue publishes medical policies for services provided to our members, it is the same for other Blue Plans. Use this application to access medical policies for BlueCard (out-of-area) members.

Enter the member ID prefix to be routed to the member's Blue Plan to research applicable medical policy information.

### Out of Area Medical Policy Coverage Guidelines

To view the out-of-area Blue Plan's medical policy information, please enter the first three letters of the member's identification number on the Blue Cross Blue Shield ID card, and click "submit".

Prefix

- **Effective August 1, 2024**, Louisiana Blue began auditing readmissions to the **same or affiliated facility for the same condition, similar condition or a complication of the original condition within 30 days** of discharge when the patient is discharged from the first admission to home or home health.
  - Louisiana Blue began excluding admissions related to Sickle Cell Disease from our Readmissions Policy. For a list of other exclusions, please see the Inpatient section (5.13) of the *Member Provider Policy & Procedure Manual*.
- Readmissions to the same or an affiliated facility for the same condition, similar condition or a complication of the original condition within 30 days of discharge will not be reimbursed.
- The first admission payment will encompass full reimbursement for treatment of the condition and/or any related complications.
- Providers cannot bill members for service recouped as a result of this policy.
- EXCD codes related to our provider integrity audits will appear on the payment register for the Louisiana Blue (excludes FEP and BlueCard claims) members only. Readmissions will be identified by the code **"VT8."**

To view the full Louisiana Blue readmissions policy, refer to our Member Provider Procedure & Policies Manual, available in iLinkBlue ([www.lablue.com/ilinkblue](http://www.lablue.com/ilinkblue)) under the "Resources" menu option.

**\$100,000 minimum**, please follow these guidelines:

- File the claim using your usual process for filing claims; in addition, please submit an itemized bill and include the Itemized Bill Cover Sheet.
- If the itemized bill is sent via fax or email, you will receive an acknowledgement of receipt.
- We highly recommended that you send itemized bills immediately after filing the claim or before filing the claim. Claims received with a billed amount of greater than \$100,000 without itemized bill information may be denied or result in delayed reimbursement.
- The itemized bill must list each service and item supplied to the member and match the dollar amount and dates of service.
- If you have questions about this claim review process, please email the Payment Integrity department at **PIIHBillReview@lablue.com**.
- Submit your Itemized Bill Cover Sheet to Payment Integrity via the Document Upload feature on iLinkBlue (**www.lablue.com/ilinkblue**).

**Tips for Successful Document Upload**

- Each upload should contain only one patient and include the member's name, date of birth and contract number. Do not send multiple patients in a single upload.
- Uploaded documents will be routed directly to the department selected. Selecting the wrong department could delay processing.
- Include any notification received from BCBSLA with the uploaded document. If submitting a Dispute or Appeal, include the appropriate form.
- If you have received a notification from BCBSLA with a department/fax number not listed in the dropdown, follow the instructions on the notice.
- Do not resubmit the uploaded documents via fax or hardcopy. Sending duplicate requests could delay processing.

**CONFIDENTIALITY NOTICE**

The Itemized Bill Cover Sheet is located online at **www.lablue.com/providers >Resources >Forms**.

The inpatient unbundling policy is effective for all inpatient acute care claims.

**Louisiana Blue has expanded this policy effective August 1, 2024.** This policy expansion includes more items that will now be considered routine supplies and services under our Inpatient Unbundling Policy. Some of these items include, but are not limited to kits, trays, packs, sutures, staplers, wound vacs, blades, connectors, hemostats, sealants, skin adhesives, lidocaine, nerve blocks, blood storage, tubes, lines and catheters.

- The policy identifies supplies, items and services that should bundle with room and board charges in an inpatient setting, according to CMS guidelines. The services and supplies identified in the inpatient unbundling policy are not separately reimbursable by Louisiana Blue and are not billable to our members.
- All Louisiana Blue inpatient acute care claims and itemized bills could be subject to review under this policy. Upon discovery of a supply, item or service identified by the policy, the associated charge will be deemed non-covered/ineligible. Should an adjustment be required to your claim, it will be reflected on your remittance advice.
- EXCD codes related to our provider integrity audits will appear on the payment register for the Louisiana Blue (excludes FEP and BlueCard claims) members only. Inpatient unbundling will be identified by the code "VAS."

**Louisiana Blue will not separately reimburse for over-the-counter medications that are part of inpatient acute-care claims.**

The full policy is available in the *Member Provider Policy & Procedure Manual* available on iLinkBlue at [www.lablue.com/ilinkblue](http://www.lablue.com/ilinkblue), click on "Resources," then "Manuals."

Louisiana Blue reviews inpatient acute care claims for billing accuracy based on the inpatient unbundling policy.

Participating acute facilities can use iLinkBlue to review automatically generated reports on how inpatient claims were unbundled and reprocessed.

To access the reports, visit the Claims Status Search application and click on:

- The “Click here” link in the green alert banner to view the previous 28 days of unbundling reports; or

## Carelon is responsible for the review of authorizations for genetic testing.

- As a provider of genetic testing, Louisiana Blue requires that you participate in the new program and submit prior authorization reviews to Carelon for all outpatient genetic testing.
- This program is for all fully insured and self-funded members, including Office of Group Benefits (OGB) members. At this time, Federal Employee Program (FEP) members are not included in the program.
- Labs will not be able to submit pre-service authorization requests. The request must come from the ordering provider.

Ordering providers can submit requests for review or verify order numbers using one of the following methods:

<b>Online</b>	<p>Use iLinkBlue (<a href="http://www.lablue.com/ilinkblue">www.lablue.com/ilinkblue</a>), to access the Carelon MBM Provider Portal.</p> <p>Choose the "Authorizations" iLinkBlue menu option, then click on "Carelon Authorizations" application. The portal is available 24 hours a day, 7 days a week.</p> <p>If you do not have access to this application, please consult with your organization's administrative representative.</p>
<b>By Phone</b>	<p>Call Carelon Medical Benefits Management at 1-866-455-8416, Monday – Friday, 8 a.m.-5 p.m. (CT).</p>

We require all intra-operative monitoring (IOM) services to be contracted with Louisiana Blue.

- When our members receive care provided in your facility by a non-contracted IOM, the members have higher out-of-pocket costs.
- When approached by an IOM to request privileges at your facility, please verify that they are in network with Louisiana Blue.

# Authorizations

**Behavioral Health Authorizations** – behavioral health providers can request authorizations for behavioral health services and submit clinical information electronically. This web-based application is facilitated by Lucet.

**Carelon Authorizations** – submit and research authorizations for outpatient high-tech radiology, diagnostic, cardiology services, musculoskeletal (MSK) joint surgery, spine surgery, spine pain management, radiation oncology, sleep study and genetic testing authorizations. This web-based application is facilitated by Carelon.

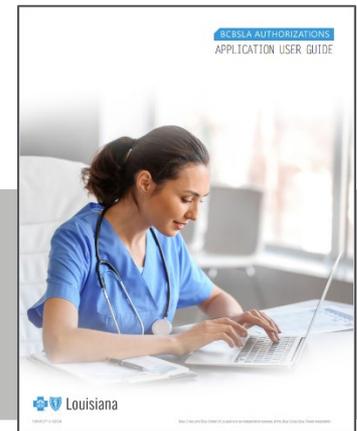

**Authorization/Pre-certification Inquiry** – view a provider’s inpatient or outpatient authorizations on file with Louisiana Blue.

The screenshot shows a navigation menu with the following items: Home, Coverage, Claims, Payments, Authorizations (highlighted), Quality & Treatment, and Resources. Below the menu, there are three main categories: Authorizations Guidelines, Authorizations - BCBSLA Members, and Authorizations - Out of Area Members. Under Authorizations - BCBSLA Members, the following items are listed: BCBSLA Authorizations (circled in orange), Behavioral Health Authorizations, Carelon Authorizations, Authorization/Pre-certification Inquiry, Medical Policy Guidelines, Lab Reimbursement Policies, and FEP Medical Policy Guidelines. Under Authorizations - Out of Area Members, the following items are listed: Out of Area (Pre Service Review – EPA) and Medical Policy Guidelines.

- Louisiana Blue replaced the BCBSLA Authorizations application in iLinkBlue. The new application is powered by **Epic Systems Corporation** (Epic) and designed to be more user friendly and efficient for providers and their staff.
- The application allows providers to request authorizations 24 hours a day, seven days a week, in real time.
- **If the requested services to treat a condition due to a complication of a non-covered service, claims will deny as non-covered regardless of medical necessity.**
- **Providers are responsible for checking member eligibility and benefits in iLinkBlue.**
- Louisiana Blue no longer accepts authorization requests via phone or fax, with a few exceptions including transplants, dental medical, out-of-state services, and NICU newborn babies.

For more information on how to use our BCBSLA Authorizations application, the *BCBSLA Authorizations Application User Guide* is available on iLinkBlue under the “Resources” tab, then click “Manuals.”

**Adding notes to your authorization request/referral is not mandatory. In fact, adding notes when not needed may cause delays to your request.**

- Notes are not mandatory in the BCBSLA Authorizations application. Only add a note if you have pertinent information to share.
  - For example, you do not have to send a note indicating clinicals will follow.
  - Notes are not needed for requests that are automatically approved or when no authorization is required. To see the status of your submission, refresh the Referral Details page. The record is usually updated instantly but could take up to three minutes for providers to receive the case pending, automatic approval or no authorization is required.
- The BCBSLA Authorizations application does not interface with a provider's Epic-powered EMR system.
  - Please do not add notes instructing us to reference MRN numbers as the application does not utilize MRN numbers.

For more information about adding notes, review Page 51 of the *BCBSLA Authorizations Application User Guide*, found on iLinkBlue ([www.lablue.com/ilinkblue](http://www.lablue.com/ilinkblue)), under Resources, then Manuals.

When adding a note, select the appropriate Note Type that fits your need. Selecting the incorrect type can delay processing of your authorization request.

- **Provider Non-clinical Comments:** Select when asking a question, providing a non-clinical information or sending a non-medical record communication to Louisiana Blue that is not one of the below options.
- **Provider IQ Note:** Select when submitting an InterQual (IQ) review via notes.
- **Provider IP Extension/Concurrent Request:** Select when requesting additional inpatient bed days only. This is not for outpatient services.
- **Provider Clinical Information:** Select when submitting medical records and additional clinical information for review.
- **Provider Peer to Peer:** Select when requesting a peer-to-peer review after a service has been denied.
- **Provider Reconsideration Request:** Select when submitting additional information for review after a service has been denied.
- **Provider IP Discharge Notification:** Select to submitting an inpatient discharge date and discharge disposition.
- **Provider Additional Service Request:** Select when the provider is requesting additional units/visits/hours/days on present outpatient services or requesting additional service codes for either inpatient or outpatient.

The **Note** text field will allow you to enter a message and select an attachment.

If you need to include additional attachments, create a new note for each attachment.

Referral by Member > Referral Details > Add Referral Note/Attachment

Enter a referral note below. You must enter at least a **Note summary** or a **Note**. You may attach a file to the referral note by clicking the **Browse** button next to the **Attachment** field.

### Out of Area (Pre-Service Review – EPA)

This application routes you to the BlueCard member's Blue Plan.

Enter the member ID prefix into the application to access pre-service capabilities, processes and requirements for your BlueCard patient.

The screenshot shows a web application interface with a dark blue header. The header contains a navigation menu with the following items: Home (house icon), Coverage (dropdown arrow), Claims (dropdown arrow), Payments (dropdown arrow), Authorizations (dropdown arrow), Quality & Treatment (dropdown arrow), and Resources (dropdown arrow). Below the navigation menu is a link for "Delegated Access" with a dropdown arrow. The main content area has a dark blue background with the title "Pre-Service Review for Out of Area Members" in white. Below the title is a subtitle: "Includes Notifications Pre-Certification, Pre-Authorization and Prior Approval". The main content area is bordered by a light gray frame. Inside the frame, there is a white box containing the following text: "Enter the first three letters of the member's identification number on the Blue Cross Blue Shield ID card, and click 'Submit'." Below this text is a checkbox with the label "I have verified the pre-service requirements for this member". The checkbox is checked. Below the checkbox is a text input field and a blue "Submit" button.

Facilities that meet the program criteria are enrolled in the Gold Card Program and receive the following benefits:

Provider Type	Gold Card Program Benefit	Participation Criteria
Facilities	Will no longer need to perform continuation/concurrent reviews for acute inpatient stays.	<ul style="list-style-type: none"> <li>Is a DRG inpatient acute care facility; or</li> <li>Is an inpatient acute care facility that has a percent of billed charges agreement with Louisiana Blue</li> </ul>

Louisiana Blue does not consider the following facilities for the Gold Card Program:

- Per diem inpatient acute care
- Inpatient rehabilitation
- Skilled nursing
- Long-term acute care

If you have questions or would like to request the Gold Card Program FAQs email [provider.relations@lablue.com](mailto:provider.relations@lablue.com).

**Facility Gold Card Program  
Frequently Asked Questions**

1. **What is the Gold Card Program?**  
Blue Cross and Blue Shield of Louisiana, including HMO Louisiana, Inc., is implementing a Facility Gold Card Program. This program is designed to help lessen the administrative burden for facilities that meet the established criteria. Facilities in the Gold Card Program will no longer need to perform continuation/concurrent review for inpatient acute stays.
2. **When does the Gold Card Program begin?**  
The Facility Gold Card Program begins July 1, 2022.
3. **Which networks and/or member policies does the program include?**  
The Facility Gold Card Program applies to inpatient acute authorization requests made for Blue Cross and HMO Louisiana Inc. members.
4. **What program criteria do facilities need to participate in the Gold Card Program?**  
To participate in the Gold Card Program, a facility must be a DRG inpatient acute care facility. Blue Cross does not consider inpatient rehabilitation, skilled nursing or long-term acute care facilities for the Gold Card Program.
5. **How will providers know they meet the program criteria?**  
We will send a welcome letter to providers who meet the criteria to participate in the program.
6. **What are the advantages of being a Gold Card Facility?**  
You will no longer be required to perform concurrent review for inpatient acute stays.
7. **What authorization activities do I need to complete as a Gold Card Facility?**  
We require you to perform notification and current review activities for the initial days approval. You still need to notify your Blue Cross utilization management contact of discharge date and diagnosis. Complete these activities in the RCE/A Authorization application, available in Link Blue <https://bluecross.com/LinkBlue>.
8. **Why do I need to continue these authorization activities as a Gold Card Facility?**  
Blue Cross requires an authorization approval to continue the inpatient stay. You must obtain the initial approval for claim payments and to avoid "failure to authorize" penalties.

18WV019 01/23 Blue Cross and Blue Shield of Louisiana is an independent member of the First Data Blue Shield Association.

*\*The final interim bill should aggregate all interim bills and late charge claims. (if applicable). The final interim bill should be submitted using a frequency code of 1 or 7.*

These guidelines are outlined in the *Member Provider Policy & Procedure Manual*, available on iLinkBlue ([www.lablue.com/ilinkblue](http://www.lablue.com/ilinkblue)) under the "Resources" section.

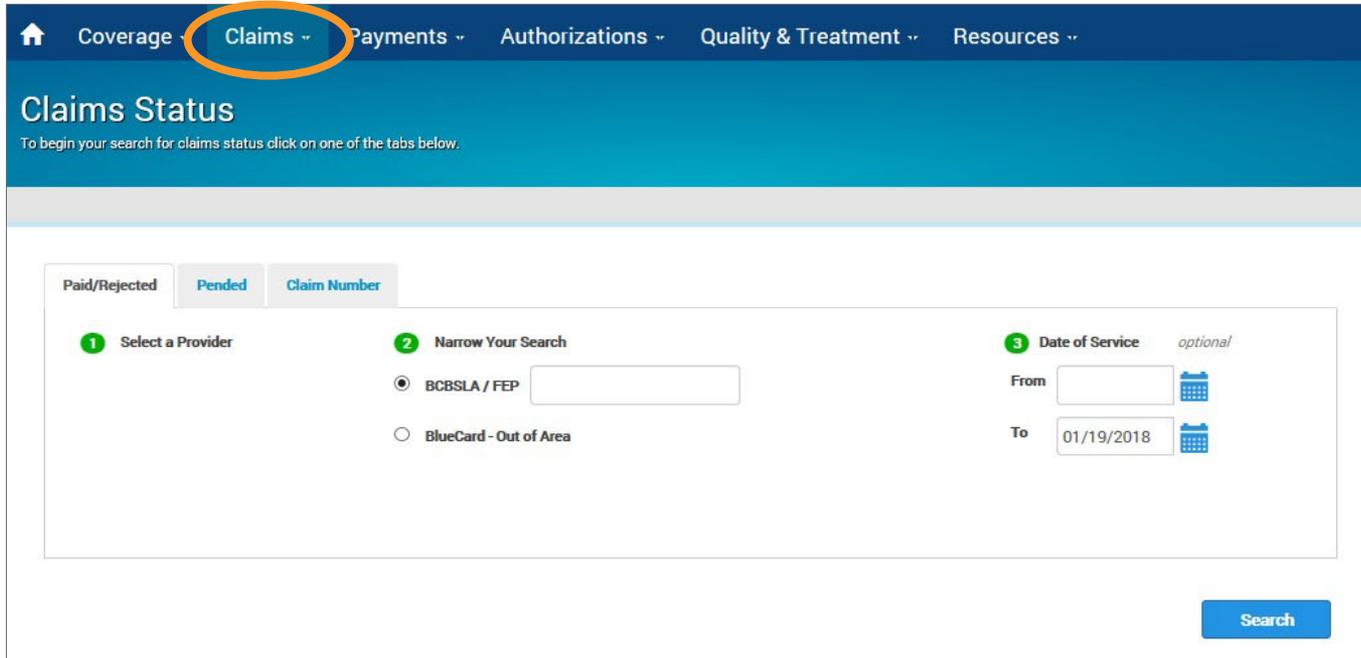

## For claims submitted on a UB-04:

We require that providers report an NDC when billing revenue codes 25X (excluding revenue code 258).

We also ask that you report the corresponding HCPCS/CPT<sup>®</sup> code for the billed drug. It should be included on the line item in addition to the NDC.

For outpatient claims, when revenue code 250 is billed without an NDC and HCPCS/CPT code (when applicable) **that line will not be reimbursed.**

- Use the “Claims” menu option to research paid, rejected and pended claims.
- You can research **BCBSLA, FEP** and **BlueCard-Out of Area** claims submitted to Louisiana Blue for processing.

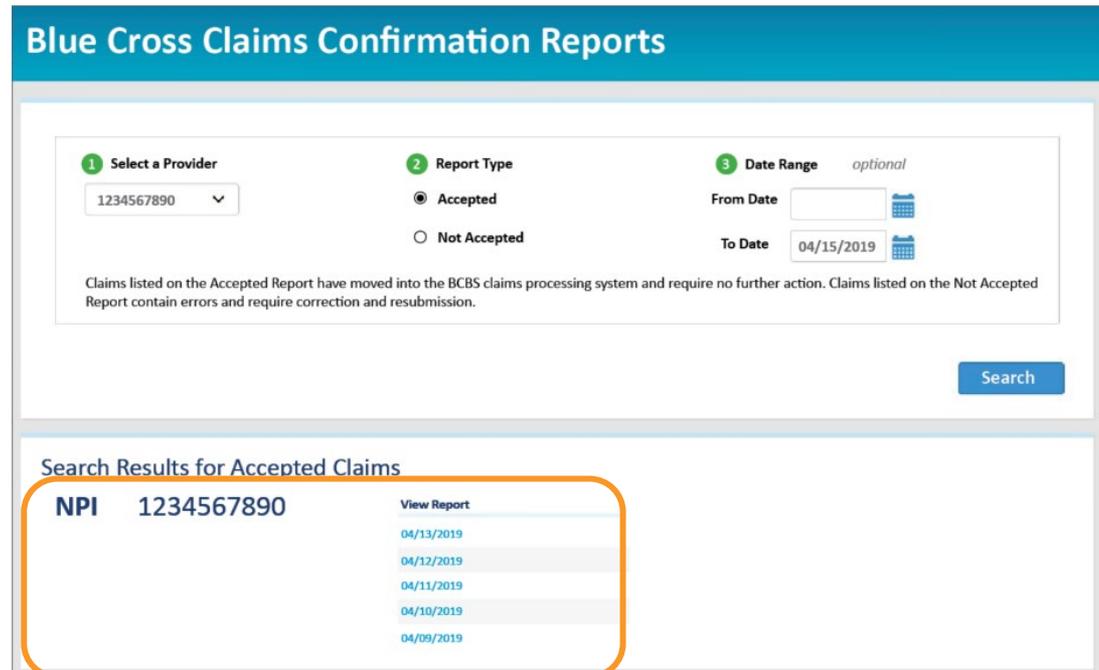

**Confirmation Reports** are generated in iLinkBlue and allow providers to electronically research submitted claims. Daily reports confirm acceptance of claims submitted directly through **iLinkBlue**, **billing agency** or **clearinghouse**.

✓ Reports are available within 24 hours of submitting claims (prior to 3 p.m.).

✓ Reports are available up to 120 days.

✓ Reports are displayed by date.

Confirmation Reports indicate detailed claim information on transactions that were accepted or not accepted for processing. Providers are responsible for reviewing these reports and correcting claims on the Not Accepted report.

The screenshot shows the iLinkBlue interface with the 'Payments' menu selected. The 'Payment Information' sub-menu is highlighted with an orange border and contains the following items:

- Payment Registers
- EFT Notifications

The 'Allowables' sub-menu contains the following items:

- Professional Provider Allowable Charges Search
- Outpatient Facility Allowable Charges Search
- FEP Dental Allowables (PDFs)

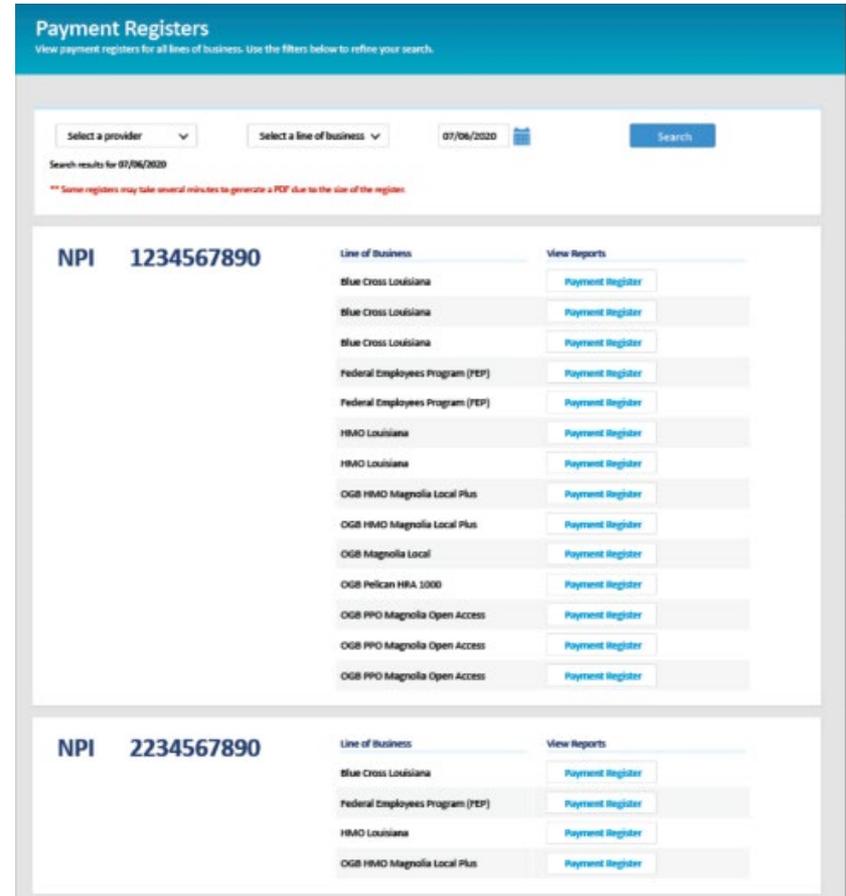

Use this section to access your Louisiana Blue payment information. Two years of payment registers and EFT notifications are available in iLinkBlue. EFT notifications for the week appear in the search results.

- **Payment Registers** – view, print or save your payment registers. If you have access to multiple NPIs, registers will be available for each.
- **EFT Notifications** – view Electronic Funds Transfer (EFT) Notifications. If you have access to multiple NPIs, EFT notifications will be available for each.

## Need a past EFT Notification/Payment Register?

Weekly EFT notifications and payment registers are available to providers on Mondays, based on claims payments from the previous week.

Set the calendar feature in the search feature to the date of a Monday within the last two years. This allows you to see past EFT notifications or payment registers.

The screenshot shows the 'Payment Registers' web application interface. At the top, there is a header with the title 'Payment Registers' and a subtitle 'View payment registers for all lines of business. Use the filters below to refine your search.' Below the header is a search area with three dropdown menus: 'Select a provider', 'Select a line of business', and a date selector set to '07/06/2020'. A 'Search' button is located to the right of the date selector. Below the search area, there is a red warning message: '\*\* Some registers may take several minutes to generate a PDF due to the size of the register.' The main content area displays two search results for NPI 1234567890. Each result has a 'Line of Business' column and a 'View Reports' column. The first result shows 13 lines of business, each with a 'Payment Register' button. The second result shows 4 lines of business, each with a 'Payment Register' button.

Action Requests allow you to electronically communicate with Louisiana Blue when you have questions or concerns about a claim.

## Common reasons to submit an Action Request

- Claims
  - Questioning non covered charges or specific denial
  - No record of membership (make sure to check member's ID)
  - Denied as duplicate (ex. Medicare crossover)
  - Coordination of benefits
- Refund request

Action Requests do not allow you to submit documentation regarding your claims review.

Use Claims Edit System tool for bundled codes instead of Action Requests.

In iLinkBlue, on each claim, there is an **Action Request** button. It opens an electronic form that prepopulates with information on the specific claim. There are multiple places within iLinkBlue that include the action request buttons.

Filter:

Copay	Coinsurance	Total Paid	Ineligible/ Rejected Amount	Action Request
\$0.00	\$0.00	\$0.00	\$1.00	
\$0.00	\$0.00	\$101.00	\$59.00

## When submitting an Action Request:

- Include your contact information.
- Be specific and detailed but **be mindful of character limit.**
- Allow 10-15 working days for a response to each request.
- Check in Action Request Inquiry for a response.
- Don't submit an Action Request immediately following document upload.

# Claims Editing

Use this section to evaluate code combinations to help reduce time-consuming disputes.

- **Claims Edit System (CES)** – This is an easy-to-use code-auditing reference application designed to help providers determine claim edit outcomes.
- The CES application in iLinkBlue is not a pricing or a claims processing application. It is a research application designed to evaluate code combinations in the Louisiana Blue claims-editing system.

This tool applies to **hospital outpatient & ambulatory surgery center claims only** and does not guarantee claims payment.

The results of the software do not consider all circumstances and factors that may affect payment including:

- Historical claims previously billed
- Multiple procedure reduction
- Member benefits and eligibility
- Provider contracts
- Modifiers that override edits
- Max frequency edits

The **Facility Claim Entry** screen is for entering codes for hospital outpatient and ambulatory surgery center (ASC) claims. **Do not use for inpatient claim edits.**

The CES Provider Tidbit can be found online at [www.lblue.com/providers](http://www.lblue.com/providers), click on "Resources," then "Tidbits."

If you do not understand the way your claim was processed, follow these steps to troubleshoot:

## Step 1

- Check that you are following the proper billing guidelines. Refer to resources in your:
  - Provider Manual
  - Code Book
  - Lists provided on iLinkBlue (You can locate these lists at [www.lablue.com/ilinkblue](http://www.lablue.com/ilinkblue) >Claims then look under the “Medical Code Editing” section).

## Step 2

- Check the CES provider portal tool to determine if the CES system is processing according to the edits based on the rejection code.
- This tool is located at [www.lablue.com/ilinkblue](http://www.lablue.com/ilinkblue) >Claims >Claims Edit System.
- CES edits will appear in lower case.

## Step 3

- Submit an Action Request.
- Discussed previously in this presentation about how to submit an Action Request (refer to the “Resolving Claims Issues” section).
- In order to properly route your inquiry please choose “**Code Editing Inquiry**” from the action drop down box when submitting your action request.

# Helpful Reminders

- Allows identification of high-risk patients
- Allows opportunities to engage patients in care management programs and care prevention initiatives
- Reduces the administrative burden of medical record requests and adjusting claims for both the provider and Louisiana Blue
- Reduces costs associated with submitting corrected claims

- Include chronic conditions in documentation.
- Code to the highest specificity.
- Monitored, Evaluated, Assessed or Treated (MEAT) should be noted.
- Clarify whether a condition is **chronic** or **acute**.
- Clarify whether a condition is **controlled** or **uncontrolled** to document the current status of condition/how it is being managed.
- Clarify the **type of diabetes** (if applicable).

Example: Notes may say “Diabetes Type II and CKD Stage III,”  
but if stated as “CKD III Due to Diabetes,” it would result in a different ICD-10 Code.

**Improper documentation could result in audits and/or the request  
of medical records.**

From time to time, you may receive a medical record request from us or one of our vendors to perform medical record chart audits on our behalf.

- Per your Louisiana Blue network agreement, **providers are not to charge a fee** for providing medical records to Louisiana Blue or agencies acting on our behalf.
- If you use a copy center or a vendor to provide us with requested medical records, providers are to ensure we receive those records without a charge.
- You do not need to obtain a distinct and specific authorization from the member for these medical record releases or reviews.
- The patient's Louisiana Blue subscriber contract allows for the release of the information to Louisiana Blue or its designee.
- iLinkBlue has a Document Upload feature allowing documents, including medical records for retrospective or post claim review, to be uploaded that would otherwise be faxed, emailed or mailed.

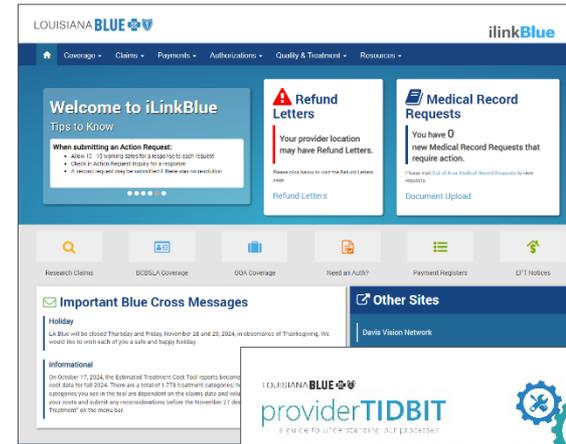

Providers are required to use our self-service tools for:

- Member eligibility
- Claim status inquiries
- Professional allowable searches
- Medical policy searches

These services will no longer be handled directly by our Customer Care Center.

# Appendix

## HIPAA 835 Transaction

- Providers who submit claims electronically can receive an electronic file containing their weekly Provider Remittance Advice/Payment Register (ERA).
- The ERA is available Monday mornings, allowing providers to begin posting payments as soon as possible.
- ERA specifications are available from Louisiana Blue at no cost to vendors and providers, but they do require programming changes by your practice management billing system vendor. Traditionally, there is an upfront fee from your billing system vendor for programming.
- From that point, you may receive the Louisiana Blue weekly Remittance Advice/Payment Register at no charge.

For more information, please contact Louisiana Blue EDI Services at [EDIservices@lblue.com](mailto:EDIservices@lblue.com) or 1-800-716-2299, option 3.

Use the following billing guidelines to report required NDCs on outpatient facility UB-04 claims:

- NDC code editing will apply to any clinician-administered drugs billed on the claim, including immunizations. The claim must include any associated HCPCS or CPT code (except HCPCS codes beginning with the letter “A”).
- Each clinician-administered drug must be billed on a separate line item.
- Claims that do not meet the requirements will be rejected and returned on your “Not Accepted” report. Units indicated would be “1” or in accordance with the dosage amount specified in the descriptor of the HCPCS/CPT code appended for the individual drug.
- Providers may bill multiple lines with the same CPT or HCPCS code to report different NDCs.
- The following NDC edits will apply to electronic and paper claims that require an NDC but no valid NDC was included on the claim:
  - NDCREQD – NDC CODE REQUIRED
  - INVNDC – INVALID NDC

Failure to report NDCs on claims will result in automatic rejections.

## For Hardcopy Claims

On the UB-04 claim form, report the NDC and the quantity in Box 43 (description field). We follow the CMS guidelines when reporting the NDC. The NDC should be preceded with the qualifier N4 and followed immediately by a valid CMS 11-digit NDC code fixed length 5-4-2 (no hyphens), e.g., N49999999999. The drug quantity and measurement/qualifier should be included.

## For Electronic Claims 837I

Report the NDC in loop 2410, Segment LINO3 of the 837. The code should consist of a CMS 11-digit NDC in a fixed length 5-4-2 (no hyphens) configuration. The NDC will be validated during processing. The corresponding quantity and unit(s) of measure should be reported in loop 2410 CTP04 and CTP05-1. Available measures of units include the international unit, gram, milligram, milliliter and unit.

You must enter the NDC on your claim in the 11-digit billing format (no spaces, hyphens or other characters). If the NDC on the package label is less than 11 digits, you must add a leading zero to the appropriate segment to create a 5-4-2 format.

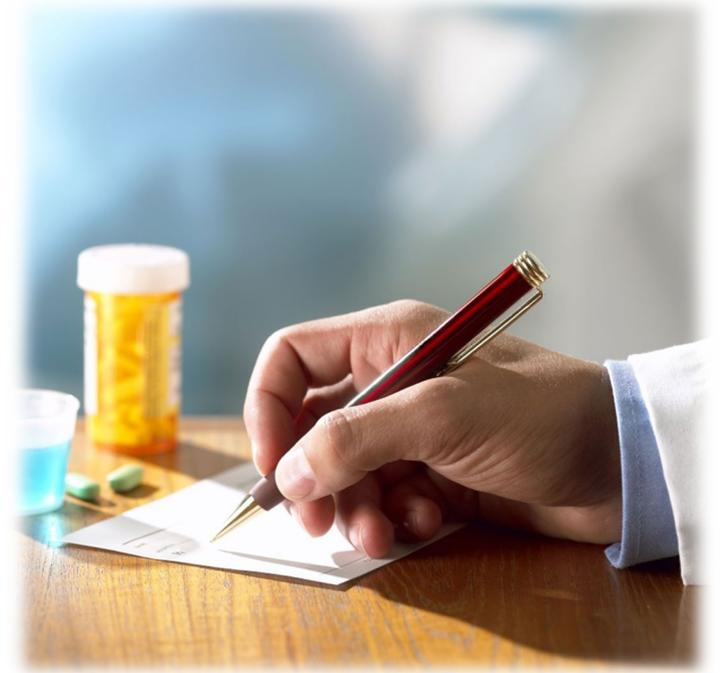

**How should the NDC be entered on the claim? See the examples below:**

10-Digit Format on Package	10-Digit label format Example	11-Digit Format	11-Digit Format Example
4-4-2	9999-9999-99	5-4-2	09999-9999-99
5-3-2	99999-999-99	5-4-2	99999-0999-99
5-4-1	99999-9999-9	5-4-2	99999-9999-09

If the NDC is not submitted in the correct format, the claim will be denied.

- Most of our members follow a Covered Drug List. Covered Drug Lists include thousands of generic and brand drugs, but not all drugs.
- **Please consider prescribing drugs that are covered** or have lower out-of-pocket costs when you believe it is appropriate. If members fill a prescription drug that is not on the covered drug list, they could have to pay the full cost of the drug out of pocket.
- **You may ask for a clinical review** (similar to prior authorization) if your patient has a medically necessary need for a *non-formulary* drug. Find information about submitting a prior authorization at [www.lablue.com](http://www.lablue.com) >Provider >Pharmacy. This is not available for drugs excluded from coverage.

You and your patients can check the Covered Drug List and find up-to-date information about drug coverage at [www.lablue.com/covereddrugs](http://www.lablue.com/covereddrugs).

Accuracy and specificity in medical record documentation and coding is critical in creating a complete clinical profile of each individual patient.

- Each page of the patient's medical records should include the following for hospital encounters and progress notes:
  - Patient name
  - Date of birth or other unique identifier
  - Date of service including the year
- Provider signature (must be legible and include credentials).
- Report ALL applicable diagnoses on claims and report at the highest level of specificity (UB-04 Claim Form).
- Include all related diagnoses, including chronic conditions you are treating.
- Medical records **must support ALL** diagnosis codes on claims.

Blue Distinction Specialty Care Centers are part of a national designation program that recognizes facilities demonstrating expertise in delivering quality specialty care, safely and effectively. These designations are only awarded to the specific facility and specific location.

**Two designation levels:**

**Blue  
Distinction<sup>®</sup>  
Center**

**Blue  
Distinction<sup>®</sup>  
Center+**

**The current programs are:**

- Bariatric Surgery
- Cardiac Care
- Knee and Hip Replacement
- Maternity
- Spine Surgery
- Transplants

Specialty Program selection criteria can be found at [www.bcbs.com](http://www.bcbs.com) >About Us >Capabilities & Initiatives >Blue Distinction >Blue Distinction Specialty Care.

## Evaluation Criteria for Participation Focused on:

### Blue Distinction<sup>®</sup> Center

healthcare facilities recognized for their **expertise** in delivering specialty care

### Blue Distinction<sup>®</sup> Center+

healthcare facilities recognized for their **expertise** and **efficiency** in delivering specialty care

Identifying those facilities that demonstrate **expertise in delivering quality specialty care** – safely and effectively

Nationally **established quality measures** with emphasis on **proven outcomes**

**Cost of care** calculated on procedures, using episode-based allowable amounts

The **healthcare Consumer Billing & Disclosure Act (or Consumer's Right to Know Act)** requires that facilities (acute and ambulatory surgery centers) inform health plans of its hospital-based physicians in the specialties of:

- Anesthesia
- Emergency Medicine
- Neonatology
- Pathology
- Radiology

According to the legislation, facilities must notify health plans of any changes made to this information within 30 days of the change.

This information is presented to our members on our hospital-based physician reports, available at [www.lablue.com](http://www.lablue.com) >Find A Doctor >ER/OR Information >Hospital-based Physician Providers.

- A hospital-based provider is defined as a provider that **only** sees patients as a result of their being admitted or directed to the hospital.
- The classification as a hospital-based provider applies for the hospital location only and NOT for any other practice locations outside the hospital.
- Hospital-based providers can be allowed to participate in our networks without credentialing requirements. We do not list those providers in the directory and allow the hospital's credentialing to stand.
- Reimbursement effective date is based on the provider's start date.

A provider is NOT considered hospital-based if you have patients referred directly to you from another physician or organization or if the member can make an appointment with the physician.
