

For the listening benefit of webinar attendees, we have muted all lines and will be starting our presentation shortly.

- This helps prevent background noise (e.g., unmuted phones or phones put on hold) during the webinar.
- This also means we are unable to hear you during the webinar.
- Please submit your questions directly through the webinar platform.

How to submit questions:

- Open the Q&A feature at the bottom of your screen, type your question related to today's training webinar and hit "enter."
- Once your question is answered, it will appear in the "Answered" tab.
- All questions will be answered by the end of the webinar.

Credentialing, Recredentialing & Updating Your Information

Credentialing is Required for Network Participation

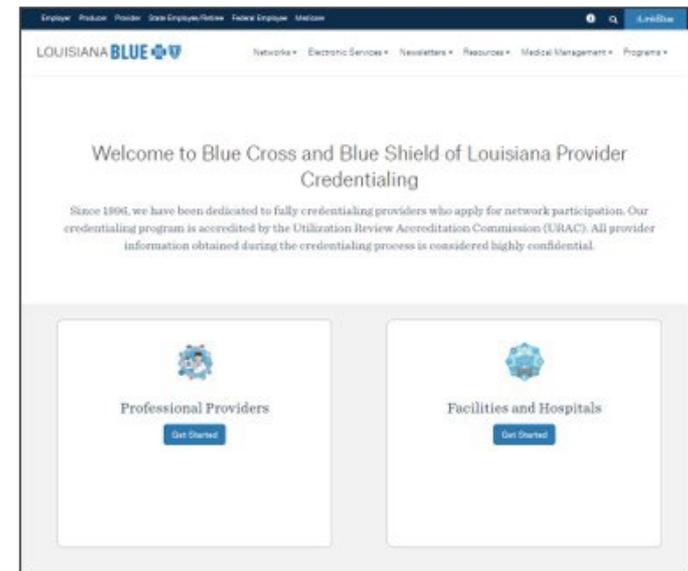

Louisiana Blue credentials all practitioners and facilities that participate in our networks.

We partner with **symplrCVO** to conduct credentialing verification processes for our commercial networks.

To join our networks, you must complete and submit documentation to start the credentialing process or to obtain a provider record.

- Go to the [Join Our Networks](#) page then, select [Professional Providers](#) or [Facilities and Hospitals](#) to find:
 - Credentialing packets
 - Quick links to the Provider Update Request Form
 - Credentialing criteria for professional, facility and hospital-based providers
 - Frequently asked questions (FAQs)

www.lablue.com/providers > Network Enrollment > Join Our Networks

It is important that we always have your most current information!

Our Networks

Louisiana Blue's Provider Networks

Louisiana Blue offers several provider networks that are tied to our members' benefit plans. These networks include:

- Preferred Care PPO
- HMO Louisiana, Inc.
- Blue Connect
- BlueHPN
- Community Blue
- Precision Blue
- Signature Blue (Extended Parishes)
- Blue Advantage (HMO) | Blue Advantage (PPO)
- Ochsner Health Network
- Federal Employee Program (FEP)

Our Identification Card Guide Provider Tidbit is a guide to identify members' applicable networks when looking at the ID card. Go to www.lablue.com/providers, click "Resources," then "Provider Tidbits."

LOUISIANA BLUE

Identification Card Guide

Blue Cross and Blue Shield of Louisiana Identification (ID) cards are useful tools for members and providers. They are designed to assist you in identifying the member's type of coverage. Always ask for a copy of the member ID card at each visit. Please always verify the member's eligibility, benefits and limitations prior to providing services. To do this, use iLinkBlue (www.lablue.com/mlinkblue).

Preferred Care PPO

Prefix Varies

Our Preferred Care PPO network includes hospitals, physicians and allied providers. Members with PPO benefit plans receive the highest level of benefits when they receive services from PPO providers.

Preferred Care PPO members are identifiable by the Louisiana Blue logo and "Preferred Care PPO Network" printed on their ID cards. The "PPO-in-a-suitcase" logo identifies the nationwide BlueCard® Program. For more information, view the *Preferred Care PPO Network Speed Guide*, available online at www.lablue.com/providers > Resources.

Preferred Care PPO ID cards are issued to each member on the policy. When the member has Advantage Plus Dental or Advantage Plus 2.0 Dental Network coverage, it is indicated on the member ID card.

HMO Louisiana, Inc.

Prefix Varies

HMO Louisiana, Inc. is a wholly owned subsidiary of Louisiana Blue. The HMO Louisiana provider network is a select group of physicians, hospitals and allied providers who provide services to individuals and employer groups seeking managed care benefit plans. The HMO Louisiana network is offered statewide. HMO Louisiana allows members to choose from both HMO and Point of Service (POS) benefit plans. Certain POS plans may not be available in all parishes. See plan details for more information.

Members pay a lower copayment when they receive services from primary care providers (PCPs). For more information, view the *HMO Louisiana, Inc. Network Speed Guide*, available online at www.lablue.com/providers > Resources.

The main identifier of an HMO Louisiana member is the HMO Louisiana logo in the top left corner of the ID card. Cards also indicate the product type as either an HMO Plan or HMO/POS Plan.

HMO Louisiana ID cards are issued to each member on the policy. When the member has Advantage Plus Dental or Advantage Plus 2.0 Dental Network coverage, it is indicated on the member ID card. Fully insured HMO Louisiana members must select a primary care provider.

BlueCard® is a national program that enables members of any Blue Cross Blue Shield (BCBS) Plan to obtain healthcare services while traveling or living in another BCBS Plan service area. The main identifiers are the prefix and the “suitcase” logo on the member ID card.

The suitcase logo provides the following information about the member:

The PPOB suitcase indicates the member has access to the exchange PPO network, referred to as BlueCard PPO basic.

The PPO suitcase indicates the member is enrolled in a Blue Plan PPO or EPO product.

The empty suitcase indicates the member is enrolled in a Blue Plan traditional, HMO, POS or limited benefits product.

The HPN suitcase logo indicates the member is enrolled in a Blue High Performance Network® (BlueHPN®) product.

- National Alliance groups are administered through Louisiana Blue's partnership agreement with Blue Cross and Blue Shield of South Carolina (BCBSSC).
- Louisiana Blue taglines are present on the member ID cards; however, customer service, provider service and precertification are handled by BCBSSC.
- Claims are processed through the BlueCard program.

TY2020E 08/1/24 Blue Cross and Blue Shield of Louisiana is an independent licensee of the Blue Cross Blue Shield Association.

We publish a list of these groups (with prefixes) in iLinkBlue (www.lablue.com/ilinkblue) under the "Resources" section.

Network providers should **always** refer members to other **network** providers.

- Referrals to out-of-network providers result in significantly higher cost shares (deductibles, coinsurance and copayments) for our members and is a breach of your Louisiana Blue provider agreement.
- Providers who consistently refer to out-of-network providers will be audited and may be subject to a **reduction** in their network reimbursement.

The impact on your patients when you refer Louisiana Blue members to out-of-network providers include:

- Higher cost shares (deductibles, coinsurances, copayments)
- No benefits for some members
- Balance billing to member for all amounts not paid by Louisiana Blue if the provider is non-participating

You can find network providers to refer members to in our online provider directories at www.lablue.com >Find a Doctor.

If a provider continues to refer patients to out-of-network providers, their entire fee schedule could be reduced.

- All our network providers should refer members to preferred reference lab vendors when lab services are needed and are not performed in the office.
- If you perform laboratory testing procedures in your office, we require a copy of your Clinical Laboratory Improvement Act (CLIA) certification.
- HMO Louisiana, Blue Connect, Community Blue, Precision Blue and Signature Blue physicians may perform a selection of lab tests from our In-office Lab List.

The ordering/referring provider NPI is required on all laboratory claims. Place the NPI in the indicated blocks:

- CMS-1500: Block 17B
- 837P: 2310A loop, using the NM1 segment and the qualifier of DN in the NM101 element

The In-office Lab List is available in our *HMO Preferred Reference Lab Guide* which is available online at www.lablue.com/providers >Resources >Speed Guides.

Online Resources

Keeping your information updated is extremely important to help our members find you.

We publish demographic information in our online provider directory. The directory is available on our website at www.lablue.com.

- Addresses (location information)
- Phone numbers
- Accepting new patients
- Providers working at certain locations
- Information about telehealth services

For professional providers to be listed in our directories, they must be available to schedule patients' appointments a **minimum of 8 hours per week** at the location listed.

It is the contractual responsibility of all participating providers keep their information current with Louisiana Blue. To report changes in your information, use the **Provider Update Request Form**. Our Provider Credentialing & Data Management Department will work with you to help ensure your information is current and accurate.

Date: August 20, 2024
Time: 12 - 1 p.m.

[Register](#)

The Centers for Medicare and Medicaid Services (CMS) and the Department of Health and Human Services (HHS) use Risk Adjustment to ensure health plans are able to appropriately provide benefits and access to care for enrollees. Proper documentation of conditions, and thus coding accuracy, play a crucial role in the risk adjustment process. We will discuss documentation best practices, miscoded conditions that we see in our audits, as well as conditions typically seen in the Office of Inspector General's (OIG's) audits.

Who should attend?
Your organization's medical and coding staff.

Using iLinkBlue

What is iLinkBlue?

iLinkBlue is Blue Cross and Blue Shield of Louisiana's secure online provider portal.

no cost to providers

user-friendly navigation

secure auth applications

The screenshot displays the iLinkBlue provider portal. At the top, there is a navigation bar with the Louisiana Blue Cross and Blue Shield logo, the 'iLinkBlue' title, and links for 'Contact Us' and 'Log Out'. Below this is a main menu with categories: Home, Coverage, Claims, Payments, Authorizations, Quality & Treatment, and Resources. The main content area features a 'Welcome to iLinkBlue' section with 'Tips to Know' and a 'When submitting an Action Request' section. To the right, there are two prominent cards: 'Refund Letters' with a warning icon and the text 'Your provider location may have Refund Letters', and 'Medical Record Requests' showing '0 new Medical Record Requests that require action'. Below these is a horizontal menu with icons for Research Claims, BCBSLA Coverage, OOA Coverage, Need an Auth?, Payment Registers, and EFT Notices. The bottom section contains 'Important Blue Cross Messages' with a holiday notice and an informational message about the Estimated Treatment Cost Tool, and an 'Other Sites' section listing Davis Vision Network, Dental Advantage Plus Network - United Concordia Dental, Blue adVantage, and Healthy Blue.

What is an Administrative Representative?

- An administrative representative is a person at your organization who has registered with Louisiana Blue to designate user access to our secure online services.
- They only grant access to those employees who legitimately must have access in order to fulfill their job responsibilities.
- Your administrative representative must grant a user access to the following:
 - iLinkBlue
 - BCBSLA Authorizations
 - Behavioral Health Authorizations
 - Pre-Service Review
- One administrative representative is required to self-manage user access to our secure online services, but we recommend each organization assign more than one.

If you do not have an administrative representative registered with Louisiana Blue, please fill out and submit the Administrative Representative Registration Packet, which can be found on our Provider page (www.lablue.com/providers).

Louisiana Blue requires that provider organizations have at least one **administrative representative** to manage our secure online services.

Louisiana Instructions for Accessing Our Secure Online Services

Blue Cross offers many online services that require secure access. Blue Cross requires that each provider organization must designate at least one administrative representative to self-manage user access to our secure online services. These services include applications such as:

- iLinkBlue
- BCBSLA Authorizations
- Behavioral Health Authorizations
- Pre-Service Review for Out-of-Area Members (for BlueCard® members)
- and more (as we develop new services)

To Report Your Administrative Representative to Blue Cross:

1. Determine who at your organization should be an administrative representative.
2. Complete the Administrative Representative Registration Form that includes the Acknowledgment Form (on the following pages). Send completed documents to our Provider Identity Management (PIM) Team.
Email: PIMTeam@bcbsla.com Fax: 1-800-515-1128
Attn: Provider Identity Management
3. Once your administrative representative is set up, they will receive a welcome email.

Need Help?
If you have questions regarding the administrative representative setup process, please contact our PIM Team.
Email: PIMTeam@bcbsla.com
Phone: 1-800-716-2299, option 5

What is an Administrative Representative?

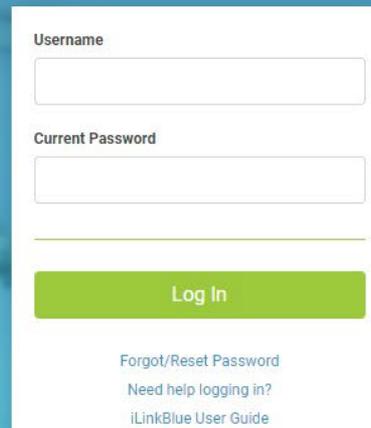

- A person designated to serve as the key person for delegating access to our secure online services to appropriate users for the provider.
- A person who agrees to adhere to Blue Cross' guidelines.
- A person who will only grant access to those employees who legitimately must have access in order to fulfill their job responsibilities.
- A person who promptly terminates employee access when an employee changes roles or terminates employment.

18AW0297 R06/22 Blue Cross and Blue Shield of Louisiana is an independent licensee of the Blue Cross Blue Shield Association.

Administrative representative duties include:

- ✓ Identify users at your organization who will need access to our secure online services.
- ✓ Assign individual users the appropriate access to applications.
- ✓ Manage users and terminate user access when it is no longer needed.

Detailed instructions and the Administrative Representative Registration Packet can be found on our Provider Page at www.lablue.com/providers >Electronic Services >Admin Reps.

The screenshot shows a login form with the following elements:

- Username**: A text input field.
- Current Password**: A text input field.
- Log In**: A green button.
- [Forgot/Reset Password](#): A link below the Log In button.
- [Need help logging in?](#): A link below the Forgot/Reset Password link.
- [iLinkBlue User Guide](#): A link below the Need help logging in? link.

Logging in for the first time:

- Password must be reset.
- Click on the “Forgot/Reset Password” button.
- Follow the prompts, enter your username and click the “Request Password” button.
- The system will send you an email to reset your password. Click on the link in the email. Follow the prompts.

Passwords must be eight positions and contain a number, an uppercase letter, a lowercase letter and one special character (~! @#\$%^&). Do not use your browser's password manager function to save or store your password. This can prevent you from changing your password when it expires.

iLinkBlue accounts that are not accessed for 180 days are locked due to inactivity. **Reach out to your administrative representative to have your account reset.**

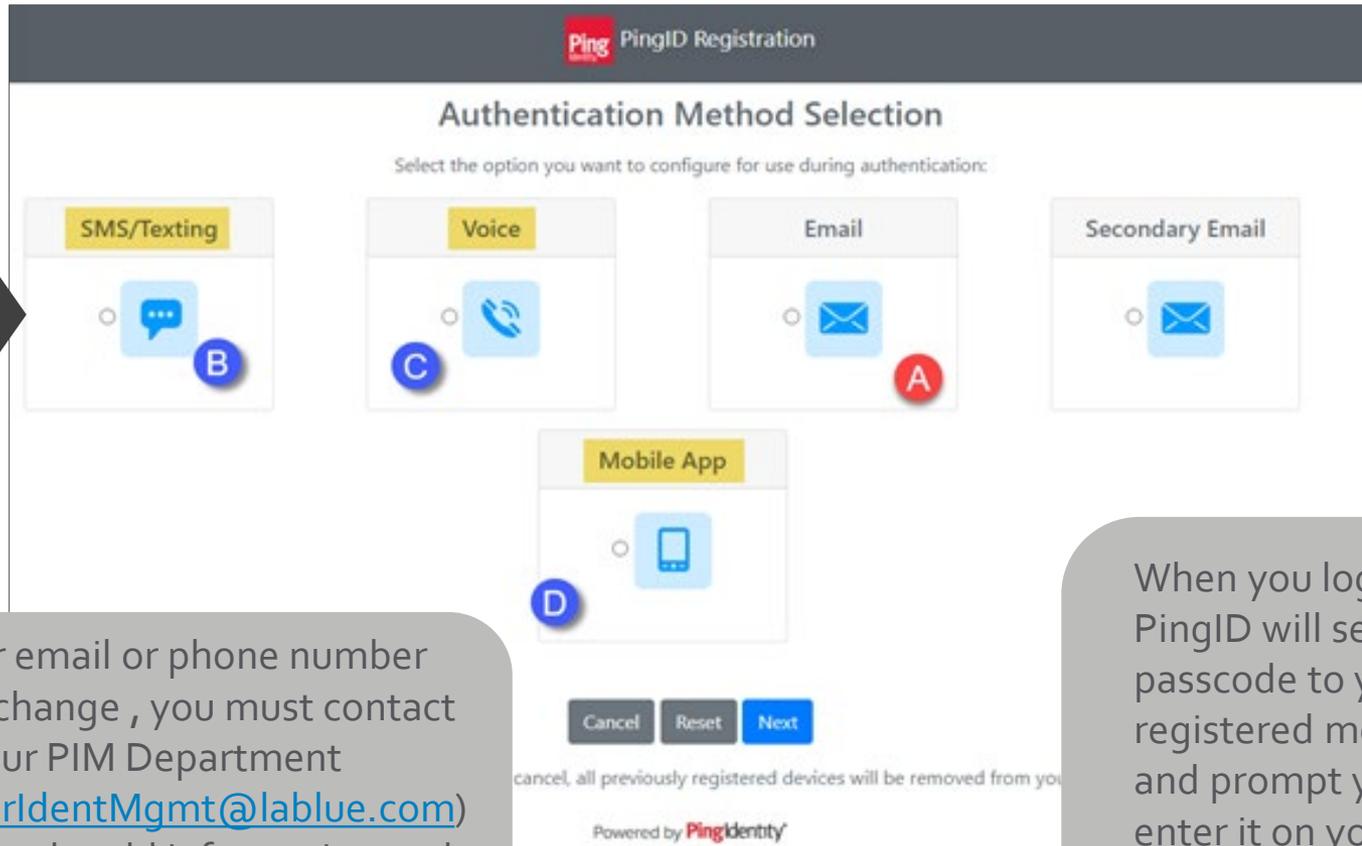

If you are the administrative representative and need your password reset, reach out to the Provider Identity Management (PIM) Team.

Phone: 1-800-716-2299, option 5
Monday – Friday 7:30 a.m. to 4 p.m.

Email: PIMteam@lablue.com

Multi-factor authentication (MFA) is required to securely access iLinkBlue. MFA is a security feature that delivers a unique identifier passcode via email, text and other formats. To set up MFA, you must register an authentication method with PingID.

We recommend registering **two or more** options for account recovery.

If your email or phone number should change, you must contact our PIM Department (ProviderIdentMgmt@lablue.com) to delete the old information and add the new.

When you log in, PingID will send a passcode to your registered method and prompt you to enter it on your computer.

Top Navigation

The top navigation streamlines the iLinkBlue functions under six menus. When you click a menu option, a sub-menu appears that includes relevant features.

Refund Letters

Providers now have a shortcut to check/search for Refund Request Letters.

Quick Links

This area contains shortcuts to the six most-used iLinkBlue functions.

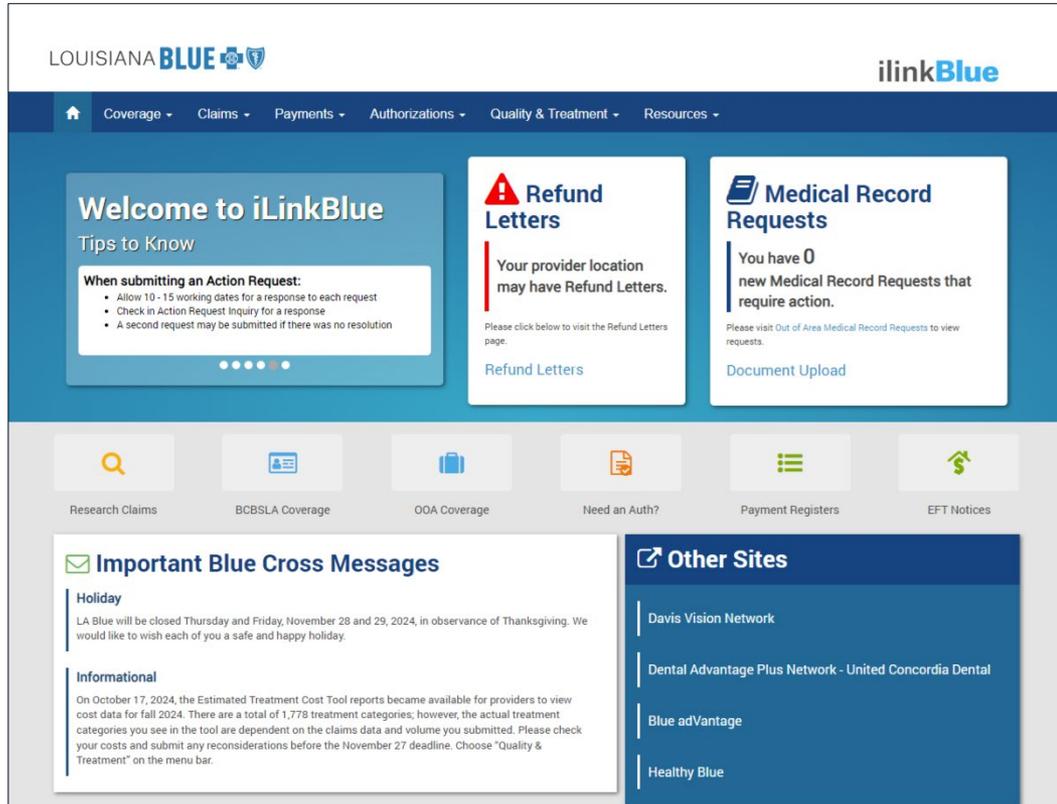

Message Board

Contains up-to-the minute posts for upcoming events, new features, system outages, holiday notices and other important bulletins.

Medical Record Requests

You receive an alert when you have Out of Area Medical Record Requests for BlueCard members. To view these requests, click the "Out of Area Medical Record Requests" link on the alert. This does not include medical record requests for BCBSLA members. To upload medical records and other documents, click the "Document Upload" link.

Other Sites

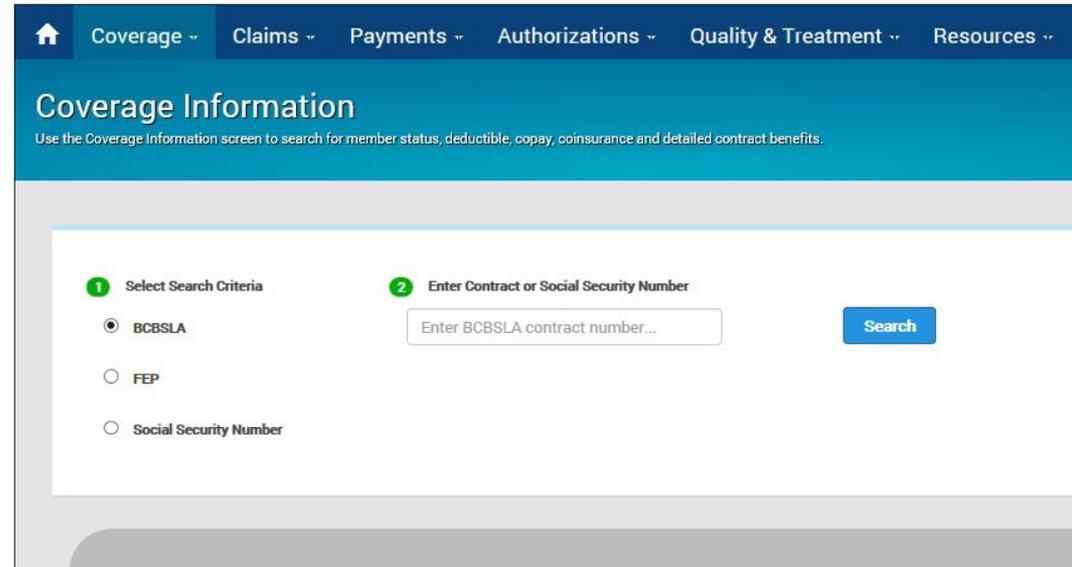

We provide quick access to other sites a provider might need to access.

Use iLinkBlue (www.lablue.com/ilinkblue) to lookup a member's coverage information.

Choose the "Coverage" menu option. Enter the member ID number to view coverage information for:

- BCBSLA (including HMO Louisiana, Inc.) members
- FEP members. This section is not used for out-of-area members.

Tips

- BCBSLA – do not include the member's prefix.
- FEP – must include the letter "R"
- A different application is used for BlueCard (out-of-area) members

If you do not have the member ID number, you can search using the subscriber's Social Security Number (SSN), when available. iLinkBlue will return search results with the member ID number. An error message will display if searching by a dependent's SSN. It must be the SSN of the policy holder.

This screen identifies members covered on a policy, effective date and the status of the contract (active, pending, cancelled).

- The **View ID Card** button allows you to download a PDF of the member ID card.
- The **Summary** button allows you to view a benefit summary. It includes the member's cost share (deductible, copay and coinsurance) and remaining out-of-pocket amounts.
- The **Benefits** button allows you to view the coverage details of the member's benefits plan.
- The **View COB** button allows you to view coordination of benefits information.

Under 'Allowables' are 'Professional Provider Allowable Charges Search', 'Outpatient Facility Allowable Charges Search', and 'FEP Dental Allowables (PDFs)'. The 'Professional Provider Allowable Charges Search' link is highlighted with an orange border.

iLinkBlue includes an application providers can use to research Louisiana Blue allowables:

- **Professional Provider Allowable Charges Search.**

Professional Allowable Search

To begin an allowable charges search, enter a date and select a provider.

Professional Allowable Search

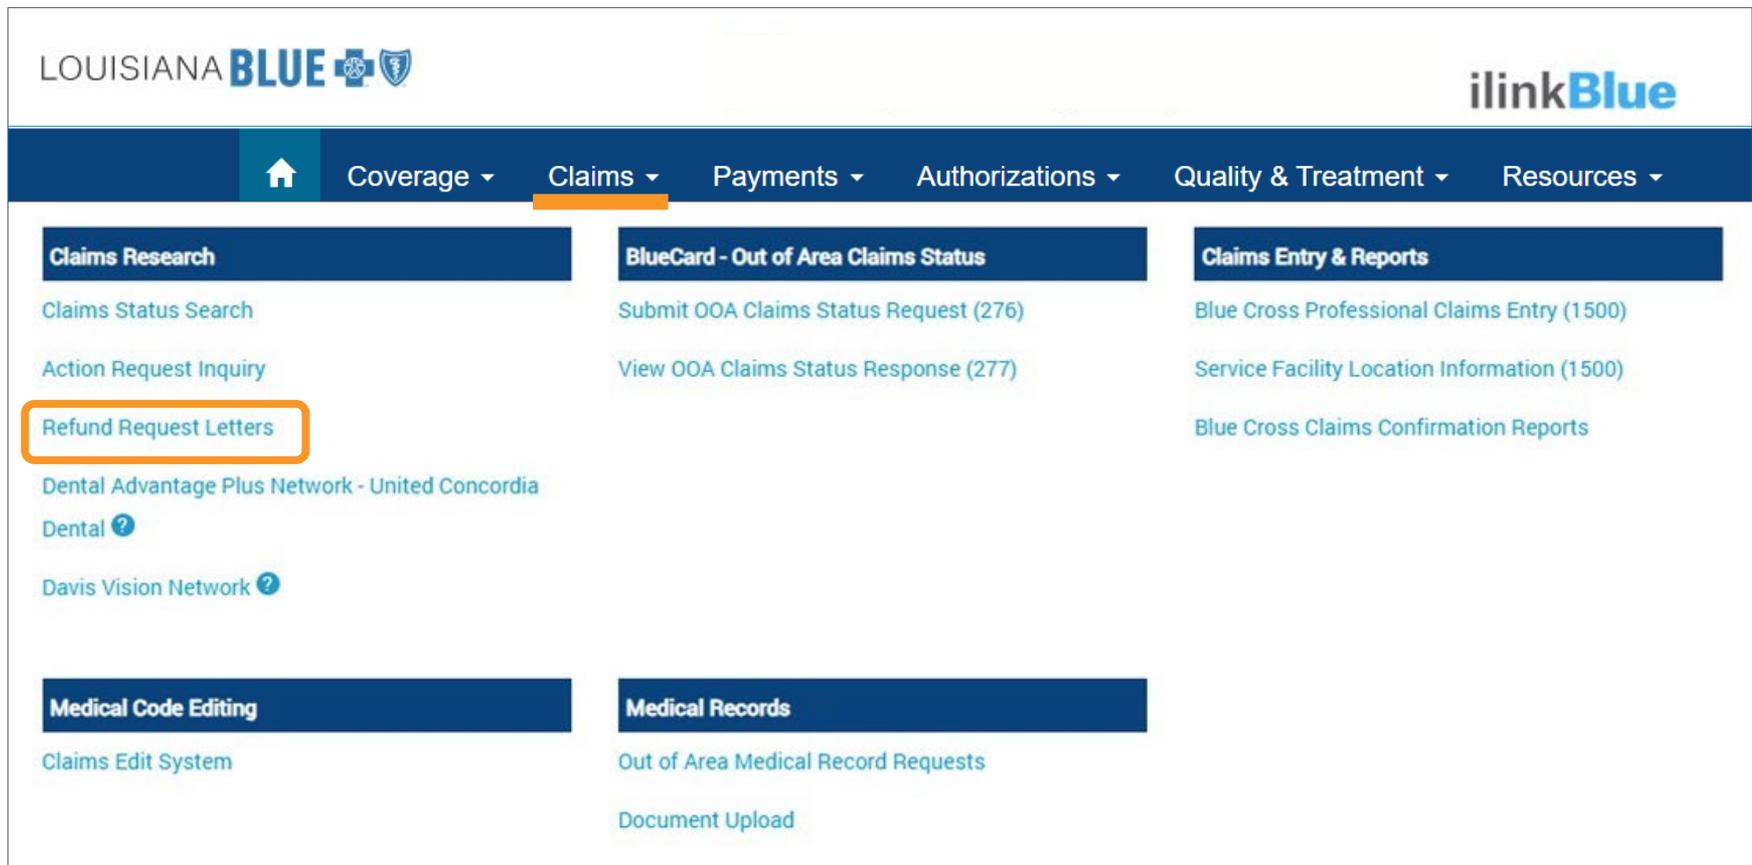

- When searching for an allowable charge enter the date of service, appropriate network and the code.
- The date of service is important because you can search current, past or future (when available) allowable charges.

Providers must use iLinkBlue for professional allowable charges. Our Customer Care Center cannot assist with this service.

Providers now have access to electronic copies of Refund Request letters in iLinkBlue.

- The letters are accessible for 24 months from their issue date.
- We will continue to grow this feature to include other types of letters in the future.

The screenshot displays the iLinkBlue web portal interface. At the top left is the "LOUISIANA BLUE" logo with a cross and shield icon. At the top right is the "iLinkBlue" logo. Louisiana Blue Policies and Procedures

Louisiana Blue has partnered with Avalon Healthcare Solutions to manage our laboratory benefit management program.

Avalon provides:

- Routine testing management services to ensure enforcement of laboratory policies.
- Automated review of high-volume, low-cost laboratory claims.

Louisiana Blue applies Avalon's automated policy enforcement to claims reporting laboratory services performed in office, hospital outpatient and independent laboratory locations.

Note: Laboratory services, tests and procedures provided in emergency room, hospital observation and hospital inpatient settings are excluded from this program.

Providers can review and research laboratory policies and guidelines online at www.lablue.com/providers >Medical Management >Lab Management.

- If services were denied due to an Avalon policy, the policy number will appear on the provider payment register.
- You can then access our policies and procedures, put the policy number in the search field and it will display the policy and criteria.

SUBSCRIBER, JOE XUP20000000 1 7/2/2022 7/2/2022 220000080061 \$137.98 \$137.98 \$0.00
Lab Policy #G2050, Procedure Code: 80061, Decision: Do6R - 1 per 1 Yr

- If you are billing in accordance with how the policy reads and you feel there is a systemic or configuration issue present that caused the claim to deny you may submit your findings to provider.relations@lablue.com for review.
- If you believe our published policy does not indicate coverage for your claim and/or you are disputing the policy itself, submit your case using our Provider Dispute Form. Please include clinically published documentation. Louisiana Blue will not process dispute cases submitted without published documentation.

The Provider Disputes Form can be found on our Provide page at www.lablue.com/providers >Resources >Forms.

Blue Cross and Blue Shield of Louisiana Health Laboratory Testing Policies

Blue Cross and Blue Shield of Louisiana (BCBSLA) has partnered with Avalon Healthcare Solutions for Laboratory Benefits Management (LBM) in order to administer Avalon's Routine Testing Management (RTM), a post-service pre-payment clinical claim editing program. The laboratory testing policies for the RTM program are accessible through the links below. These policies are specific to BCBSLA network and product requirements and in alignment with its policies, rules, and/or state and federal contracts. In the event of a conflict, BCBSLA's policies, rules, and/or state and federal contracts will take precedence.

The RTM policies below are effective for claims with a date of service of May 15th, 2022, and later.

- F2019: Flow Cytometry
- G2002: Cervical Cancer Screening
- G2005: Vitamin D Testing
- G2006: Diabetes Mellitus Testing
- G2007: Prostate Biopsies
- G2008: Prostate Specific Antigen (PSA) Testing
- G2009: Preventive Screening in Adults
- G2011: Diagnostic Testing of Iron Hemostasis and Metabolism
- G2012: Testosterone

Louisiana Blue regularly revises and develops medical policies in response to rapidly changing medical technology.

Benefit determinations are made based on the medical policy in effect at the time of the provision of services.

Medical policy changes are also published in our quarterly Network News provider newsletter.

Search for policies alphabetically by title or use the search bar to look by keywords or codes.

MEDICAL POLICY UPDATE

Out of Area Members

Medical Policy Guidelines

Just as Louisiana Blue publishes medical policies for services provided to our members, it is the same for other Blue Plans. Use this application to access medical policies for BlueCard (out-of-area) members.

Enter the member ID prefix to be routed to the member's Blue Plan to research applicable medical policy information.

Out of Area Medical Policy Coverage Guidelines

To view the out-of-area Blue Plan's medical policy information, please enter the first three letters of the member's identification number on the Blue Cross Blue Shield ID card, and click "submit".

Prefix

Carelon is responsible for the review of authorizations for genetic testing.

- As a provider of genetic testing, Louisiana Blue requires that you participate in the new program and submit prior authorization reviews to Carelon for all outpatient genetic testing.
- This program is for all fully insured and self-funded members, including Office of Group Benefits (OGB) members. At this time, Federal Employee Program (FEP) members are not included in the program.
- Labs will not be able to submit pre-service authorization requests. The request must come from the ordering provider.

Ordering providers can submit requests for review or verify order numbers using one of the following methods:

Online	<p>Use iLinkBlue (www.lablue.com/ilinkblue), to access the Carelon MBM Provider Portal.</p> <p>Choose the “Authorizations” iLinkBlue menu option, then click on “Carelon Authorizations” application. The portal is available 24 hours a day, 7 days a week.</p> <p>If you do not have access to this application, please consult with your organization’s administrative representative.</p>
By Phone	<p>Call Carelon Medical Benefits Management at 1-866-455-8416, Monday – Friday, 8 a.m.-5 p.m. (CT).</p>

Authorizations

Behavioral Health Authorizations – behavioral health providers can request authorizations for behavioral health services and submit clinical information electronically. This web-based application is facilitated by Lucet.

Carelon Authorizations – submit and research authorizations for outpatient high-tech radiology, diagnostic, cardiology services, musculoskeletal (MSK) joint surgery, spine surgery, spine pain management, radiation oncology, sleep study and genetic testing authorizations. This web-based application is facilitated by Carelon.

Authorization/Pre-certification Inquiry – view a provider’s inpatient or outpatient authorizations on file with Louisiana Blue.

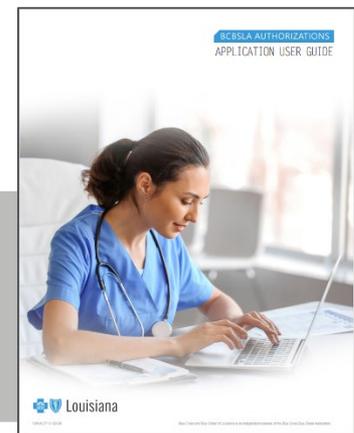

The screenshot shows the website's navigation menu with the 'Authorizations' tab selected. Under this tab, there are three main categories: 'Authorizations Guidelines', 'Authorizations - BCBSLA Members', and 'Authorizations - Out of Area Members'. The 'Authorizations - BCBSLA Members' category is expanded, showing a list of links: 'BCBSLA Authorizations' (circled in orange), 'Behavioral Health Authorizations', 'Carelon Authorizations', 'Authorization/Pre-certification Inquiry', 'Medical Policy Guidelines', 'Lab Reimbursement Policies', and 'FEP Medical Policy Guidelines'.

- Louisiana Blue replaced the BCBSLA Authorizations application in iLinkBlue. The new application is powered by **Epic Systems Corporation** (Epic) and designed to be more user friendly and efficient for providers and their staff.
- The application allows providers to request authorizations 24 hours a day, seven days a week, in real time.
- **If the requested services to treat a condition due to a complication of a non-covered service, claims will deny as non-covered regardless of medical necessity.**
- **Providers are responsible for checking member eligibility and benefits in iLinkBlue.**
- Louisiana Blue no longer accepts authorization requests via phone or fax, with a few exceptions including transplants, dental medical, out-of-state services, and NICU newborn babies.

For more information on how to use our BCBSLA Authorizations application, the *BCBSLA Authorizations Application User Guide* is available on iLinkBlue under the “Resources” tab, then click “Manuals.”

Adding notes to your authorization request/referral is not mandatory. In fact, adding notes when not needed may cause delays to your request.

- Notes are not mandatory in the BCBSLA Authorizations application. Only add a note if you have pertinent information to share.
 - For example, you do not have to send a note indicating clinicals will follow.
 - Notes are not needed for requests that are automatically approved or when no authorization is required. To see the status of your submission, refresh the Referral Details page. The record is usually updated instantly but could take up to three minutes for providers to receive the case pending, automatic approval or no authorization is required.
- The BCBSLA Authorizations application does not interface with a provider's Epic-powered EMR system.
 - Please do not add notes instructing us to reference MRN numbers as the application does not utilize MRN numbers.

For more information about adding notes, review Page 51 of the *BCBSLA Authorizations Application User Guide*, found on iLinkBlue (www.lablue.com/ilinkblue), under Resources, then Manuals.

When adding a note, select the appropriate Note Type that fits your need. Selecting the incorrect type can delay processing of your authorization request.

- **Provider Non-clinical Comments:** Select when asking a question, providing a non-clinical information or sending a non-medical record communication to Louisiana Blue that is not one of the below options.
- **Provider IQ Note:** Select when submitting an InterQual (IQ) review via notes.
- **Provider IP Extension/Concurrent Request:** Select when requesting additional inpatient bed days only. This is not for outpatient services.
- **Provider Clinical Information:** Select when submitting medical records and additional clinical information for review.
- **Provider Peer to Peer:** Select when requesting a peer-to-peer review after a service has been denied.
- **Provider Reconsideration Request:** Select when submitting additional information for review after a service has been denied.
- **Provider IP Discharge Notification:** Select to submitting an inpatient discharge date and discharge disposition.
- **Provider Additional Service Request:** Select when the provider is requesting additional units/visits/hours/days on present outpatient services or requesting additional service codes for either inpatient or outpatient.

The **Note** text field will allow you to enter a message and select an attachment.

If you need to include additional attachments, create a new note for each attachment.

Referral by Member > Referral Details > Add Referral Note/Attachment

Enter a referral note below. You must enter at least a **Note summary** or a **Note**. You may attach a file to the referral note by clicking the **Browse** button next to the **Attachment** field.

The Authorizations section of iLinkBlue includes resources and applications for both **BCBSLA Members** and **Out of Area Members**.

Many of the applications in this section require a higher level of security access.

- If the requested services are to treat a condition due to a complication of a non-covered service, claims will deny as non-covered regardless of medical necessity.
- Providers are responsible for checking member eligibility and benefits.

Authorizations Guidelines - Do I need an authorization? – This application lets you research and view authorization requirements based on the member ID prefix.

The screenshot shows a website navigation bar with the following items: Home, Coverage, Claims, Payments, Authorizations (highlighted), Quality & Treatment, and Resources. Below the navigation bar is a section titled "Pre-Authorization / Pre-Certification Information" with the instruction: "To view Blue Plan's general pre-authorization/pre-certification information, please enter the first three letters of the member's identification number on the Blue Cross Blue Shield ID card, and click 'Submit'". Below this instruction is a form with a label "Alpha Prefix:" followed by a text input field and a blue "Submit" button.

Enter the member's prefix to access general pre-authorization/pre-certification information.

The screenshot shows the iLinkBlue interface with the 'Payments' menu selected. The 'Payment Information' sub-menu is highlighted with an orange rounded rectangle. The 'Payment Information' sub-menu contains 'Payment Registers' and 'EFT Notifications'. The 'Allowables' sub-menu contains 'Professional Provider Allowable Charges Search', 'Outpatient Facility Allowable Charges Search', and 'FEP Dental Allowables (PDFs)'.

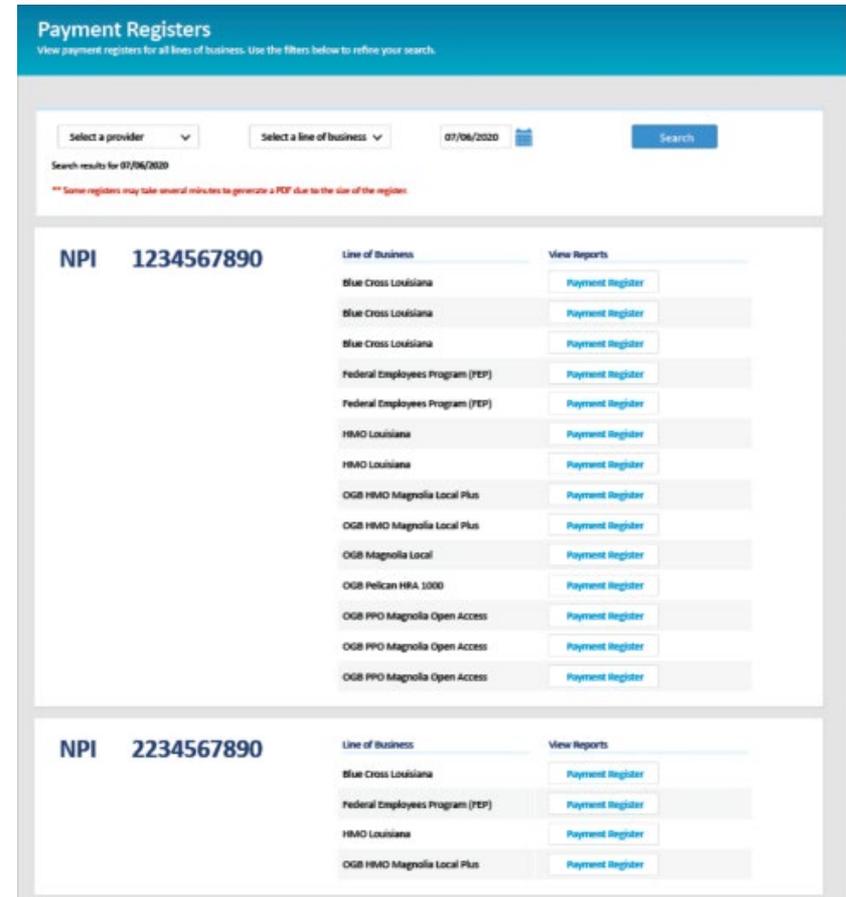

Use this section to access your Louisiana Blue payment information. Two years of payment registers and EFT notifications are available in iLinkBlue. EFT notifications for the week appear in the search results.

- **Payment Registers** – view, print or save your payment registers. If you have access to multiple NPIs, registers will be available for each.
- **EFT Notifications** – view Electronic Funds Transfer (EFT) Notifications. If you have access to multiple NPIs, EFT notifications will be available for each.

Need a past EFT Notification/Payment Register?

Weekly EFT notifications and payment registers are available to providers on Mondays, based on claims payments from the previous week.

Set the calendar feature in the search feature to the date of a Monday within the last two years. This allows you to see past EFT notifications or payment registers.

The screenshot shows the 'Payment Registers' web application interface. At the top, there is a header with the title 'Payment Registers' and a subtitle 'View payment registers for all lines of business. Use the filters below to refine your search.' Below the header, there is a search area with three dropdown menus: 'Select a provider', 'Select a line of business', and a date selector set to '07/06/2020'. A 'Search' button is located to the right of the date selector. Below the search area, there is a red warning message: '** Some registers may take several minutes to generate a PDF due to the size of the register.' The main content area is divided into two sections, each for a different NPI. The first section is for NPI 1234567890 and lists 13 lines of business, each with a 'Payment Register' button. The second section is for NPI 2234567890 and lists 4 lines of business, each with a 'Payment Register' button.

Action Requests allow you to electronically communicate with Louisiana Blue when you have questions or concerns about a claim.

Common reasons to submit an Action Request

- Claims
 - Questioning non covered charges or specific denial
 - No record of membership (make sure to check member's ID)
 - Denied as duplicate (Ex. Medicare crossover)
 - Coordination of benefits
- Refund request

Action Requests do not allow you to submit documentation regarding your claims review.

Use Claims Edit System tool for bundled codes instead of Action Requests.

In iLinkBlue, on each claim, there is an **Action Request** button. It opens an electronic form that prepopulates with information on the specific claim. There are multiple places within iLinkBlue that include the action request buttons.

When submitting an Action Request:

- Include your contact information.
- Be specific and detailed but **be mindful of character limit.**
- Allow 10-15 working days for a response to each request.
- Check in Action Request Inquiry for a response.
- Don't submit an Action Request immediately following document upload.

Claims Editing

Use this section to evaluate code combinations to help reduce time-consuming disputes.

Claims Edit System (CES) – This is an easy-to-use code-auditing reference application designed to help providers determine claim edit outcomes.

The CES application in iLinkBlue is not a pricing or a claims processing application. It is a research application designed to evaluate code combinations in the Louisiana Blue claims-editing system.

The screenshot displays the iLinkBlue interface with the following structure:

- Navigation Bar:** Home, Coverage, Claims (highlighted), Payments, Authorizations, Quality & Treatment, Resources.
- Claims Research:** Claims Status Search, Action Request Inquiry, Dental Advantage Plus Network - United Concordia Dental, Davis Vision Network.
- BlueCard - Out of Area Claims Status:** Submit OOA Claims Status Request (276), View OOA Claims Status Response (277).
- Claims Entry & Reports:** Blue Cross Professional Claims Entry (1500), Service Facility Location Information (1500), Blue Cross Claims Confirmation Reports.
- Medical Code Editing (highlighted):** Claims Edit System.
- Medical Records:** Out of Area Medical Record Requests, Document Upload.

The application is available for both outpatient facility and professional claims. Please make sure you select the correct tab as the edits and modifiers will not be the same.

a guide to understanding our processes

Claims-editing Software (CES) System for Professional Claims

What is claims editing?
It is a tool applied to reviewing claims to ensure proper coding and billing based on reimbursement, medical policy, benefits rules and industry standard coding guidelines.

CES Tool in iLinkBlue
Providers can calculate claim edit outcomes with our CES tool available online at www.lblue.com/linkblue
→ Claims → Medical Code Editing. Mandatory fields are a circle below.

The results of the software do not consider all circumstances and factors that may affect payment including:

- Financial claims previously billed
- Member benefits and eligibility
- Units billed
- Provider contracts
- Good day edits for procedures
- Modifier that override edits
- Multiple procedure reduction

Helpful Reminders

- Allows identification of high-risk patients.
- Allows opportunities to engage patients in care management programs and care prevention initiatives.
- Reduces the administrative burden of medical record requests and adjusting claims for both the provider and Louisiana Blue.
- Reduces costs associated with submitting corrected claims.
- Use of Category II Codes can reduce the need for medical records.

- Include chronic conditions in documentation
- Code to the highest specificity
- Monitored, Evaluated, Assessed or Treated (MEAT) should be noted
- Clarify whether a condition is **chronic** or **acute**
- Clarify whether a condition is **controlled** or **uncontrolled** to document the current status of condition/how it is being managed
- Clarify the **type of diabetes** (if applicable)

Example: Notes may say “Diabetes Type II and CKD Stage III,” but if stated as “CKD III Due to Diabetes,” it would result in a different ICD-10 Code.

Improper documentation could result in audits and/or the request of medical records.

From time to time, you may receive a medical record request from us or one of our vendors to perform medical record chart audits on our behalf.

- Per your Louisiana Blue network agreement, **providers are not to charge a fee** for providing medical records to Louisiana Blue or agencies acting on our behalf.
- If you use a copy center or a vendor to provide us with requested medical records, providers are to ensure we receive those records without a charge.
- You do not need to obtain a distinct and specific authorization from the member for these medical record releases or reviews.
- The patient's Louisiana Blue subscriber contract allows for the release of the information to Louisiana Blue or its designee.
- iLinkBlue has a Document Upload feature allowing documents, including medical records for retrospective or post claim review, to be uploaded that would otherwise be faxed, emailed or mailed.

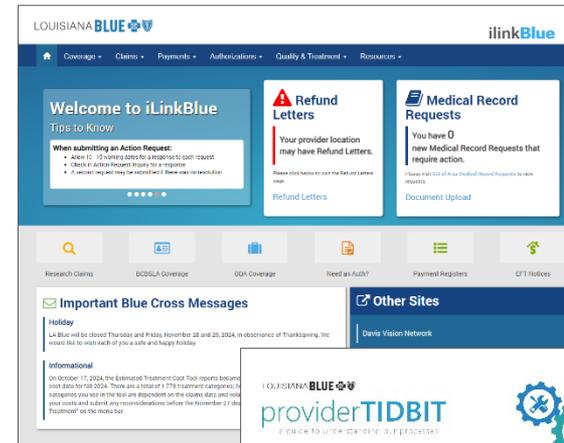

Providers are required to use our self-service tools for:

- Member eligibility
- Claim status inquiries
- Professional allowable searches
- Medical policy searches

These services will no longer be handled directly by our Customer Care Center.

Self-service tools available to providers:

- iLinkBlue (www.lablue.com/ilinkblue)
- Interactive Voice Recognition (IVR) (1-800-922-8866)
 - The Automated Benefits & Claim Status (IVR Navigation Guide) Tidbit will help you navigate the IVR system and is available at www.lablue.com/providers >Resources >Tidbits.
- HIPAA 27x transactions

Appendix

In addition to reimbursement during credentialing, Louisiana law allows providers a 30-day expedited application for reimbursement during credentialing.

To qualify for the expedited time frame, providers must meet the following requirements:

- Provider must have admitting privileges to a network hospital or an approved exception. Provider must list this information in the hospital affiliations section on the appropriate credentialing application.
- Must have the same provider type agreement on file with Louisiana Blue (e.g., physician, allied health, facility, dental agreements).
- Agrees to hold our members harmless for payments above the allowable amount.

Requesting expedited processing:

Include with the initial credentialing application via DocuSign:

- Letter asking Louisiana Blue to invoke the expedited process.
 - The letter must include your agreement to hold our members harmless for payments above the allowable amount.
 - The letter must be on company letterhead and signed by the provider.
- Signed admitting privileges agreement to a network hospital.

The Letter, included in the initial credentialing application via DocuSign, must:

- Ask Louisiana Blue to invoke the Louisiana law that extends existing requirements for credentialing of physicians to all healthcare providers;
- Include your agreement to hold our members harmless for payments above the allowable amount;
- Be on letterhead and signed by the provider.

Sample Letter

{Date}

Dear Louisiana Blue:

*In accordance with the Louisiana law extending certain requirements for credentialing of physicians to all healthcare providers, please accept this written request to reimburse **{provider's name}** for services provided as a new provider at **{provider's group name}** at our group contract rate and with in-network benefits. **{Provider's group name}** agrees that all contract provisions, including holding covered members harmless for charges beyond the Louisiana Blue allowable amount and the member's cost share amount (deductible, coinsurance and/or copayment, as applicable) will apply to the new provider.*

{Signature of the provider}

HIPAA 835 Transaction

- Providers who submit claims electronically can receive an electronic file containing their weekly Provider Remittance Advice/Payment Register (ERA).
- The ERA is available Monday mornings, allowing providers to begin posting payments as soon as possible.
- ERA specifications are available from Louisiana Blue at no cost to vendors and providers, but they do require programming changes by your practice management billing system vendor. Traditionally, there is an upfront fee from your billing system vendor for programming.
- From that point, you may receive the Louisiana Blue weekly Remittance Advice/Payment Register at no charge.

For more information, please contact Louisiana Blue EDI Services at EDIservices@lblue.com or at 1-800-716-2299, option 3.

Use the following billing guidelines to report required NDCs on professional CMS-1500 claims:

- NDC code editing will apply to any clinician-administered drugs billed on the claim, including immunizations. The claim must include any associated HCPCS or CPT code (except HCPCS codes beginning with the letter “A”).
- Each clinician-administered drug must be billed on a separate line item.
- Claims that do not meet the requirements will be rejected and returned on your “Not Accepted” report. Units indicated would be “1” or in accordance with the dosage amount specified in the descriptor of the HCPCS/CPT code appended for the individual drug.
- Providers may bill multiple lines with the same CPT or HCPCS code to report different NDCs.
- The following NDC edits will apply to electronic and paper claims that require an NDC, but no valid NDC was included on the claim:
 - NDCREQD – NDC CODE REQUIRED
 - INVNDC – INVALID NDC

Failure to report NDCs on claims will result in automatic rejections.

For Hardcopy Claims

On the CMS-1500 claim form, report the NDC in the shaded area of Box 24A. We follow the CMS guidelines when reporting the NDC. The NDC should be preceded with the qualifier N4 and followed immediately by a valid CMS 11-digit NDC code fixed length 5-4-2 (no hyphens), e.g., N49999999999. The drug quantity and measurement/qualifier should be included.

For Electronic Claims 837P

Report the 11-digit NDC in loop 2410, Segment LINO3 of the 837. The NDC will be validated during processing. The corresponding quantity and unit(s) of measure should be reported in loop 2410 CTP04 and CTP05-1. Available measures of units include the international unit, gram, milligram, milliliter and unit.

For iLinkBlue Claims (Professional Only)

Select 24K to expand the claim line to report the NDC, Quantity and Measurement:

- NDC Code Field: Enter the 11-digit NDC code. No alpha characters, spaces or hyphens can be present.
- Quantity: Numeric value of quantity.
- Measurement: Select the appropriate measurement from the drop-down menu.
 - F2 – International Unit
 - GR – Gram
 - ME – Milligram
 - ML – Milliliter
 - UN – Unit

You must enter the NDC on your claim in the 11-digit billing format (no spaces, hyphens or other characters). If the NDC on the package label is less than 11 digits, you must add a leading zero to the appropriate segment to create a 5-4-2 format.

How should the NDC be entered on the claim? See the examples below:

10-Digit Format on Package	10-Digit label format Example	11-Digit Format	11-Digit Format Example
4-4-2	9999-9999-99	5-4-2	09999-9999-99
5-3-2	99999-999-99	5-4-2	99999-0999-99
5-4-1	99999-9999-9	5-4-2	99999-9999-09

If the NDC is not submitted in the correct format, the claim will be denied.

- Most of our members follow a Covered Drug List. Covered Drug Lists include thousands of generic and brand drugs, but not all drugs.
- **Please consider prescribing drugs that are covered** or have lower out-of-pocket costs when you believe it is appropriate. If members fill a prescription drug that is not on the covered drug list, they could have to pay the full cost of the drug out of pocket.
- **You may ask for a clinical review** (similar to prior authorization) if your patient has a medically necessary need for a *non-formulary* drug. Find information about submitting a prior authorization at www.lablue.com >Provider >Pharmacy. This is not available for drugs excluded from coverage.

You and your patients can check the Covered Drug List and find up-to-date information about drug coverage at www.lablue.com/covereddrugs.

Accuracy and specificity in medical record documentation and coding is critical in creating a complete clinical profile of each individual patient.

- Each page of the patient's medical records should include the following for a face-to-face visit:
 - Patient name
 - Date of birth or other unique identifier
 - Date of service including the year
- Provider signature (must be legible and include credentials).
- Report ALL applicable diagnoses on claims and report at the highest level of specificity (CMS-1500 claim forms can accommodate up to 12 diagnosis codes).
- Include all related diagnoses, including chronic conditions you are treating.
- Medical records **must support ALL** diagnosis codes on claims.
