Explanation of Admission and Recertification Request Form

(Required for all Rehab, SNF, LTAC admits)

Providers must request authorization for initial admissions and recertification of admissions for rehabilitation centers (rehab), skilled nursing (SNF) and long-term acute care (LTAC) services. If you are a Louisiana provider, you are required to submit these requests via the Louisiana Blue Authorizations application. Providers are encouraged to complete an **Admission and Recertification Request Form**, which is part of this guide. The form is available online at www.lablue.com/providers >Resources.

1 Please check the box that best describes your request.

Please Choose Request Type

❑ Admission Request

Admitting from: ❑ Home ❑ Hospital

❑ Recertification Request

Admission Request is a request for authorization for a patient initially being admitted to a facility for treatment. Please specify if patient is being admitted from home or a hospital.

Recertification Request is an extension request of the initial admission authorization. This request must be within 24-hours prior to expiration of approved admission period.

2 Please check the type of admission for your request.
