Description of ADA Dental Claim Form Explanation

- Mark this box if patient is covered by state Medicaid's Early and Periodic Screening, Diagnosis and Treatment (EPSDT) program for persons under 21.
- **Block 2** Enter the number provided by the payer when submitting a claim for services that have been predetermined or preauthorized.
- **Block 3** Enter the patient's primary insurance carrier's information.
- **Block 4-11** Fill in other coverage information. Leave blank if no other coverage.
- **Block 8** Policy Holder/Subscriber's identification number for additional coverage.
- **Block 12-14** Enter Subscriber's personal insurance information here.
- **Block 15** This is the member's identification number assigned by Louisiana Blue.
- **Block 16-17** This is the member's or employer group's plan or policy number. May also be known as the certificate number and employer name.
- **Block 18** Check indicating the relationship of the patient to the Policyholder/Subscriber.
- **Block 19-23** Complete only if the patient is not the primary subscriber (i.e., "Self" not checked in Block 18).
- Block 19 Check "FTS" if the patient is a dependent and a full-time student; "PTS" is a part-time student. Otherwise, leave blank.
- **Block 23** Enter if dentist's office assigns a unique number to identify the patient that is not the same as the subscriber identifier number assigned by the payer (e.g., chart number).
- **Block 24** Enter date the procedure was performed.
- Block 25 Designate tooth number or letter when the procedure code directly involves a tooth.

 Use the area of the oral cavity code set from ANSI/ADA/ISO Specification number 3950m,

 "Designation System for Teeth and Areas of the Oral Cavity."
- Block 26 Enter applicable ANSI ASC X12 code list qualifier. Use "JP" when designating teeth using the ADA's Universal/National Tooth Designation System. Use "JO" when using the ANSI/ADA/ISO Specification No. 3950.
- Block 27 Designate tooth number when the procedure code reported directly involves a tooth. If a range of teeth is being reported, use a hyphen (-) to separate the first and last tooth in the range. Commas are used to separate individual tooth numbers or ranges applicable to the procedure code reported.

Block 28 Designate tooth surface(s) when the procedure code reported directly involves one or more tooth surfaces. Enter up to five of the following codes, without spaces: B=Buccal; D=Distal; F=Facial; L=Lingual; M=Mesial and O=Occlusal. Block 29 Use the appropriate dental procedure code from the current version of the Code on Dental Procedures and Nomenclature. Block 30 Description of codes. Block 31 This is the dentist's full fee for the dental procedure reported. Block 32 This is used when other fees applicable to dental services provided must be recorded. Such fees include state taxes, where applicable, and other fees imposed by regulatory bodies. Block 33 This is the total of all fees listed on the claim form. Block 34 Report missing teeth on each claim submission. Block 35 Use "Remarks" space for additional information such as "reports" for "999" codes or multiple supernumerary teeth. Oral surgeons should place the diagnosis code in this field. Block 36 The patient is defined as an individual who has established a professional relationship with a dentist for the delivery of dental healthcare. For matters relating to communication of information and consent, this term includes the patient's parent, caretaker, guardian or other individual as appropriate under state law and the circumstances of the case. Block 37 Subscriber Signature: This is necessary when the patient/insured and dentist wish to have benefits paid directly to the provider. This is an authorization of payment. It does not create a contractual relationship between the dentist and the payer. Block 38 Indicate the place of treatment by choosing "Provider's Office," "Hospital," "Extended Care Facility (ECF)" (e.g., nursing home) or "Other." Block 39 Fill in the number of each type of enclosures in the appropriate boxes provided. Block 40 Indicate whether or not the treatment is for orthodontics purposes. Block 41 If "yes" is checked in Block 40, list date appliance was placed. Block 42 If "yes" is checked in Block 40, list how many months of treatment are remaining. Block 43 If "yes" is checked in Block 40, indicate whether or not a replacement of prosthesis was done. Block 44 If "yes" is checked in Block 43, list date of prior placement. Block 45 Indicate what the treatment is resulting from, if applicable.

- Block 46 List date of accident.
- **Block 47** Report what state the accident occurred.
- Block 48 This is the individual dentist's name or the name of the group practice/corporation responsible for billing and other pertinent information. This may differ from the actual treating dentist's name. This is the information that should appear on any payments or correspondence that will be remitted to the billing dentist.
- **Block 49** Billing dentist's national provider identifier (NPI).
- Block 50 This refers to the license number of the billing dentist. This may differ from that of the treating dentist that appears in the treating dentist's signature block.
- Block 51 The Internal Revenue Service requires that either the SSN or TIN of the billing dentist or dental entity be supplied only if the provider accepts payment directly from the third-party payer. When the payment is being accepted directly, report the: 1) SSN if the dentist is unincorporated; 2) Corporation TIN if the billing dentist is incorporated; or 3) Entity TIN when the billing entity is a group practice or clinic.
- **Block 52** Billing dentist or dental entity's phone number.
- **Block 52a** Additional Provider ID #.
- Block 53 This is the treating, or rendering, dentist's signature and date the claim form was signed.

To do this, click the "AR" button from the Claims Results screen or the "Action Request" button from the Claim Details screen to open a form that prepopulates with information on the specific claim. Please include your contact information. Please only submit one Action Request per claim; not one Action Request per line item of the claim. For more information on this process, please refer to our iLinkBlue User Guide, available online at www.BCBSLA.com/providers > Resources > Manuals.

Note: Inpatient	Hospital Admissions in connecti	ion with childbirth do not require authorization.	

The authorization process is based on medical necessity only and is <u>not</u> a guarantee of payment. Services/procedures are subject to review by Louisiana Blue for contractual limitations or exclusions. Some policies apply penalties for failing to request prior authorization for specific services. Other policies will not cover a service without prior authorization. For urgent inpatient admissions, except those in connection with childbirth, you must notify Louisiana Blue of that admission within 48 hours or the next business day, to avoid penalties or non-coverage. If you are unsure if a policy allows for retrospective review, contact Customer Care at 1-800-922-8866. Always verify eligibility and benefits before providing services by contacting Customer Care or using iLinkBlue (www.lablue.com/ilinkblue).
