SECTION 1: NETWORK OVERVIEW

of the Member Provider Policy & Procedure Manual

TABLE OF CONTENTS

This section provides information about provider networks. If Blue Cross and Blue Shield of Louisiana (Louisiana Blue) makes any procedural changes, in our ongoing efforts to improve our service to you, we will update the information in this section and notify our network providers. For complete *Member Provider Policy & Procedure Manual* information, please refer to the other sections of this manual. Contact information for all manual sections is available in the Manual Reference Section.

For member eligibility, benefits or claims status information, we encourage you to use iLinkBlue (www.lablue.com/ilinkblue), our online self-service provider tool. Additional provider resources are available on our Provider page at www.lablue.com/providers.

This manual is provided for informational purposes only and is an extension of your Member Provider Agreement. You should always directly verify member benefits prior to performing services. Every effort has been made to print accurate, current information. Errors or omissions, if any, are inadvertent. The Member Contract/Certificate contains information on benefits, limitations and exclusions, and managed care benefit requirements. It also may limit the number of days, visits or dollar amounts to be reimbursed.

As stated in your agreement: This manual is intended to set forth in detail our policies. Louisiana Blue retains the right to add to, delete from and otherwise modify the *Member Provider Policy & Procedure Manual* as needed. This manual and other information and materials provided are proprietary and confidential and may constitute trade secrets.

Section 1: NETWORK OVERVIEW

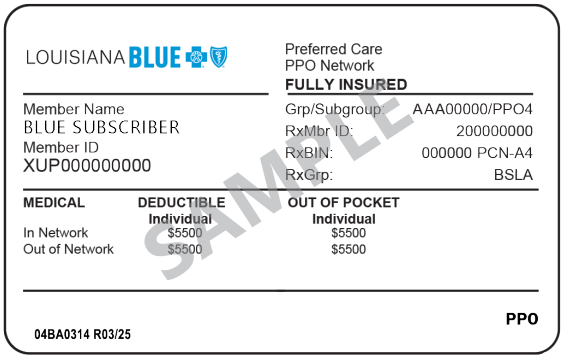
Louisiana Blue has worked to develop business relationships with doctors, hospitals and other healthcare providers throughout Louisiana. These relationships have allowed us to develop some of the largest, most comprehensive provider networks in the state.

With the number of insurance companies and network programs available, it can be quite challenging for providers to navigate the various administrative requirements of these programs. To help you better understand the networks in which you may participate, we are providing an overview of our provider network programs. You will also see examples of member ID cards associated with the various networks.

For more information on reviewing member eligibility, benefits and limitations, please use iLinkBlue (www.lablue.com/ilinkblue).

PREFERRED CARE PPO

Our Preferred Care PPO network includes hospitals, physicians and allied providers. Members with PPO benefit plans receive the highest level of benefits when they receive services from PPO providers.



Preferred Care PPO members are identifiable by the Louisiana Blue logo and the Preferred Care PPO Network name printed on their member ID cards. The "PPO" in a suitcase logo identifies the nationwide BlueCard® Program. For more information, view the Preferred Care PPO Provider Speed Guide, available on our Provider page.

Preferred Care PPO member ID cards are issued to each member on the policy. Member ID cards are used for both medical and dental coverage when a dental network is indicated. The Preferred Care PPO network is offered statewide.

HMO LOUISIANA, INC.

HMO Louisiana is a wholly owned subsidiary of Louisiana Blue. Since 1996, HMO Louisiana has worked to develop business relationships with doctors, hospitals and other healthcare providers throughout Louisiana. The HMO Louisiana provider network is a select group of physicians, hospitals and allied health providers who provide services to individuals and employer groups seeking managed care benefit plans. Our HMO Louisiana network is a statewide network.

Note: HMO Louisiana providers should follow the guidelines set forth in this manual. Differences and additional guidelines are indicated.

HMO Louisiana Offers Two Managed Care Benefit Plans

HMO Louisiana offers HMO-HMO or Point of Service (POS) benefit plans. Members pay a lower copayment when they receive services from primary care providers (PCPs) and receive the highest level of benefits when they receive care from in-network providers. Fully insured HMO Louisiana members must select a primary care provider.

Health Maintenance Organization (HMO-HMO)

This benefit design is similar to the POS benefit design in that members with either an HMO-HMO or HMO-POS benefit plan access the same network of providers and have the same type of benefits, except there is no out-of-network coverage with the HMO-HMO benefit (emergencies excepted).

- Uses HMO Louisiana providers.
- Member is responsible for any applicable coinsurance, deductible and/or copayment.
- Member receives high-level benefits for in-network providers with authorization (if necessary).
- Member has no benefits for out-of-network providers (without Plan approval).

HMO Louisiana members enrolled in an HMO product have no benefits for services provided by non-participating providers without obtaining prior approval. When we both issue an authorization that the services are medically necessary, and approve a member to receive the medically necessary covered services from a non-participating provider, benefits will be at the highest level possible to limit the member's out-of-pocket expenses.

HMO and HMO-POS members do not have to obtain prior authorization to receive emergency medical services. A member should seek emergency care at the nearest facility.

Point of Service (HMO-POS)

Allows members to choose each time they need care—at the point of service—whether to use a network provider or go out-of-network and receive reduced benefits. Members with a HMO-POS benefit plan receive the highest level of benefits when using network providers with the proper authorization (when services require plan approval) and a lower level of benefits when receiving care that is not authorized or from providers who are not in the HMO Louisiana network.

- Uses HMO Louisiana providers.
- Member is responsible for any applicable coinsurance, deductible and/or copayment.
- Member receives high-level benefits for in-network providers with authorization (if necessary).

Members usually pay significant costs when using non-participating providers. This is because the amounts that providers charge for covered services are usually higher than the fees that are accepted by participating and HMO Louisiana providers. In addition, participating and HMO Louisiana providers waive the difference between the actual billed charge for covered services and the allowable charge, while non-participating providers do not. The member will pay the amounts shown in the "out-of-network" column on their schedule of benefits, and the provider may balance bill the member for all amounts not paid by Louisiana Blue.

There is a $1,000 penalty toward the allowable charge to HMO Louisiana POS inpatient network facilities for failure to obtain an authorization for inpatient facility confinements. No 30% penalty or $1,000 penalty will be applied to the professional services for the inpatient stay. There is no penalty for professional services rendered during the inpatient stay. For group HMO Louisiana POS plans with deductibles, there is no copayment. Therefore, the $1,000 penalty will be applied to the payment based on the deductible/coinsurance benefit.

Note: The member's benefit plan is an agreement between the member and Louisiana Blue or HMO Louisiana only. Providers cannot waive the member's cost sharing obligations, such as deductibles, coinsurance (including out-of-network differentials), penalties or the balance of the bill. A claim that is filed that includes any amounts the provider waives may be a fraudulent claim because it includes amounts that the member is not being charged, and will be reduced by the total amount waived.

Non-participating Hospital Penalty

When a HMO-POS member receives covered services from a non-participating hospital, the benefits that are paid under the member's benefit plan will be reduced by 30%. This penalty is the member's responsibility. The member may also be responsible for higher copayments, coinsurances and deductibles when receiving services from non-participating providers.

HMO Louisiana Service Area

The HMO Louisiana Network is offered statewide. We rely on the vast amount of healthcare data at our disposal to identify providers who are delivering the highest-quality, most cost-efficient care among their peers. These are the providers we contract with for our HMO Louisiana network.

Identifying HMO Louisiana Members

When HMO Louisiana members arrive at your office, be sure to ask them for their current HMO Louisiana member ID card. The main identifier for these members is the HMO Louisiana logo in the top left corner of the card, which also indicates the product type as either an HMO Plan or Point of Service (POS) Plan. HMO Louisiana members carry an ID card similar to the one shown here. ID cards are issued with the same member ID number for each covered member.

TIERED BENEFITS FOR SELECT NETWORKS

There are different benefit tiers for members in our select networks. Please always verify the member's eligibility, benefits and limitations prior to rendering services. To do this, use iLinkBlue.

When researching coverage for a member with Blue Connect, Community Blue, Precision Blue or Signature Blue, you will see tiered benefit requirements on the Medical Benefits Summary page in iLinkBlue. The provider must participate in the member-patient's specific select network to be considered a Tier 1 provider for that member.

Note: Precision Blue will identify four benefit tiers for members and will only apply in-network benefits to Enhanced Tier 1 and Tier 1 providers. The other select networks will identify three benefit tiers and will only apply in-network benefits to a Tier 1 provider.

Enhanced Tier 1 In Network Preferred

For Precision Blue only: Applies to select providers in the Precision Blue network.

Example Scenario:

- A Precision Blue member sees a select Precision Blue network provider.
- The member accumulations and copayments identified for Enhanced Tier 1 should be applied.
- Provider may not bill the member for any amount over the allowed amount.

Tier 1 In Network Preferred

Applies to providers participating in the member's specific network.

Example Scenario:

- A Community Blue member sees a Community Blue network provider.
- The member accumulations, copayments and coinsurance identified for Tier 1 should be applied.
- Provider may not bill the member for any amount over the allowed amount.

Tier 2 Out of Network Preferred

Applies to providers participating in-network with Louisiana Blue but NOT in the member's specific network.

Example Scenario:

- A Community Blue member sees a Signature Blue network provider.
- The member accumulations, copayments and coinsurance identified for Tier 2 should be applied.
- Provider may not bill the member for any amount over the allowed amount.

Tier 3 Out of Network Non-Preferred

Applies to providers who do not participate in any Louisiana Blue network.

Example Scenario:

- A Community Blue member sees a non-participating provider.
- The member accumulations, copayments and coinsurance identified for Tier 3 should be applied.
- As applicable, provider may bill the member an amount over the allowed amount in accordance with pertinent state and federal law(s).

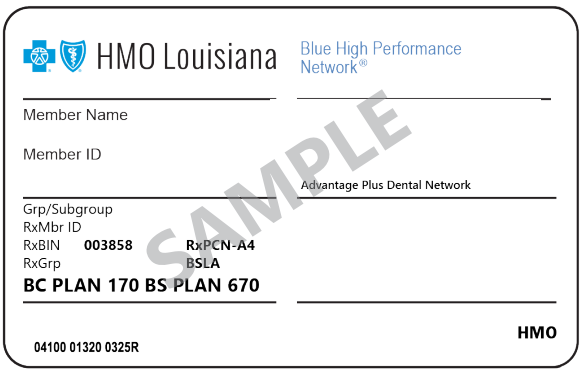
BLUE HIGH PERFORMANCE NETWORK

Blue High Performance Network® (BlueHPN®) is a national network focused on enhancing the quality of care and delivery of cost savings to large self-funded employer groups. This network allows eligible employer groups with employees located throughout the country seamless access to a quality and affordable healthcare network nationwide.



HMO Louisiana, Inc. offers a BlueHPN network and member benefit option. Our BlueHPN members have access to other providers participating in the BlueHPN network across the nation.

BlueHPN members must access BlueHPN providers to receive full benefits. If you are a BlueHPN provider, you will be reimbursed for services provided to BlueHPN members according to the BlueHPN contract with Louisiana Blue.

BlueHPN is an Exclusive Provider Organization (EPO). This means benefits are only covered for care by in-network providers. It is important to note that for non-BlueHPN providers, benefits for services incurred are limited to emergent care within BlueHPN product areas, and to urgent and emergent care outside of BlueHPN product areas. Benefit limitations are included on the back of the BlueHPN member ID card.

BlueHPN members are recognizable by the Blue High Performance Network name or BlueHPN acronym on the member ID card. Some ID cards may still include the BlueHPN in a suitcase logo.

OFFICE OF GROUP BENEFITS (OGB) BENEFIT PLANS

Louisiana Blue administers benefits for the Office of Group Benefits (OGB) state of Louisiana employees, retirees and dependents. Five benefit plans are available: Pelican HRA 1000, Pelican HSA 775, Magnolia Local, Magnolia Local Plus and Magnolia Open Access. Pelican HRA 1000 (active employees & retirees with and without Medicare)

Please refer your patients to providers within their network to ensure they receive the highest level of benefits available.

BLUECARD PROGRAM

The BlueCard® Program links participating providers and the independent Blue Cross and Blue Shield (BCBS) Plans across the country and abroad with a single electronic network for professional, outpatient and inpatient claims processing and reimbursement. The program allows BCBS participating providers in every state to submit claims for members who are enrolled through another Blue Plan to their local BCBS Plan.

You should submit claims for BCBS members (including Blue Cross only and Blue Shield only) visiting you from other areas directly to Louisiana Blue. We are your sole contact for all BCBS claims submissions, payments, adjustments, services and inquiries.

Note: Providers should follow the guidelines set forth in this manual and those that are included in the *BlueCard Program Provider Manual*, which is a supplement to this office manual and is located on our Provider page.

How to Identify BlueCard Members

When members from other Blue Plans arrive at your office or facility, be sure to ask them for their current Blue Plan membership identification card. BlueCard ID cards may have a suitcase logo or may simply include the product indicator (i.e., a PPO member ID card may include a PPO in a suitcase logo or just the PPO acronym).

A correct member identification number includes the three-character prefix in the first three positions and all subsequent characters up to a total of 17 positions. Some member identification numbers may include alphabetic characters within the body of the number. These alphabetic characters are part of the member's identification number and are not considered to be part of the three-character prefix.

Member ID Prefixes

The three-character prefix at the beginning of the member's ID number is the key element used to identify and correctly route out-of-area claims. It is also critical for confirming a patient's membership and coverage. The prefix identifies the Blue Plan or national account to which the member belongs.

It is very important to capture all identification card data at the time of service. If the information is not captured correctly, you may experience a delay in claims processing. We suggest that you always make copies of the front and back of the member ID cards and pass this key information on to your billing staff and any other providers you refer the member to, for example, lab, X-ray, etc. Do not make up prefixes.

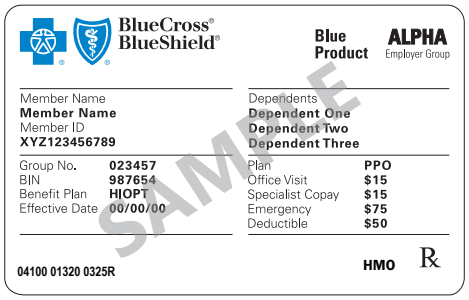
Do not assume that the member ID number is a Social Security number. All Blue Plans replaced Social Security numbers on member ID cards with alternate, unique identifiers.

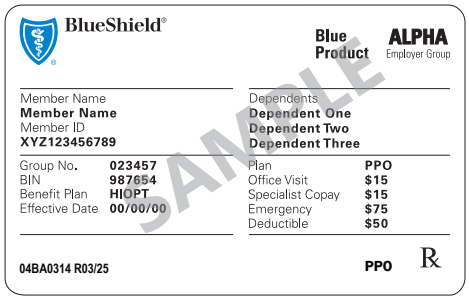
Member ID Cards with no Prefix

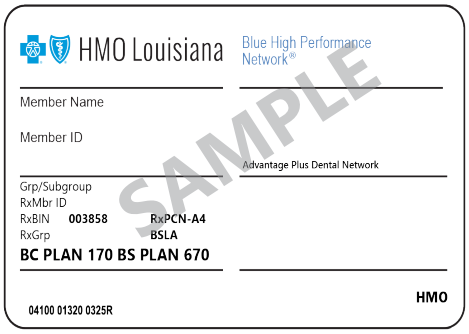
Some member ID cards may not have a prefix or suitcase logo, which may indicate that claims are handled outside the BlueCard Program. Please look for instructions or a telephone number on the back of the card for how to file claims. If that information is not available, call the customer service number indicated on the member ID card.

"Suitcase" Logo

A blank "suitcase" logo on a member ID card indicates that the member has Blue Cross and Blue Shield Traditional, POS or HMO benefits delivered through the BlueCard Program.







The PPO in a suitcase logo or PPO acronym indicates indicates the member is enrolled in a Blue Plan's PPO or EPO product.

The PPOB suitcase logo or the PPO B product indicates the member has access to the exchange PPO network, referred to as BlueCard PPO basic.

The empty suitcase logo, or ID cards with TRAD, HMO, or POS product indicators, indicates the member is enrolled in a Blue Plan's traditional, HMO, POS or limited benefits product.

The BlueHPN suitcase logo or the BlueHPN name on the ID card indicates the member is enrolled in a Blue High Performance Network® (BlueHPN®) or BlueHPN EPO product.

Beginning Jan. 1, 2025, members may present Blue Cross and Blue Shield ID cards that no longer include the various suitcase logos.

- The suitcase logo will be replaced with the applicable product indicator (i.e., rather than the PPO in a suitcase logo, PPO member ID cards will now just include the PPO acronym).
- This does not impact member benefits or a member's network access.
- You should continue to follow the normal process for verifying member benefits and eligibility.
- Transition from the use of the suitcase logo is expected to be a multi-year approach. In the interim, you may continue to see cards with the applicable logo.

HMO Patients Serviced Through the BlueCard Program

In some cases, you may see BCBS HMO members affiliated with other BCBS Plans seeking care at your facility. You should handle claims for these members the same way you handle claims for Louisiana Blue members and BCBS PPO patients from other Blue Plans—by submitting them through the BlueCard Program. Members are identified by the "empty suitcase" logo on their ID card.

BlueCard members throughout the country have access to information about participating providers through BlueCard Access, a nationwide toll-free number (1-800-810-2583). Members call this number to find out about BlueCard providers in another Blue Plan's service area. You can also use this number to get information on participating providers in another Blue Plan's service area.

How the Program Works

1. You may verify the patient's coverage on iLinkBlue or by calling BlueCard Eligibility. An operator will ask you for the prefix on the member ID card and will connect you to the appropriate membership and coverage unit at the member's Blue Plan. If you are unable to locate a prefix on the member ID card, check for a phone number on the back of the member ID card, and if that is not available, call the Customer Care Center.

2. After you render services to a BCBS member, you should file the claim (according to your contractual arrangements) with Louisiana Blue. Note: The claim must be filed using the three-character prefix and identification number located on the member ID card.

3. Once the claim is received, Louisiana Blue electronically routes it to the member's Blue Plan.

4. The member's Blue Plan applies benefits, adjudicates the claim and transmits it back to Louisiana Blue, either approving or denying payment. The processing time of the claim may take longer than most Louisiana Blue processes. In the event that the member's Blue Plan approves payments, payment to you is based on the applicable allowable rates from Louisiana Blue and the limitations of the member's benefit plan.

5. Louisiana Blue reconciles payment and forwards it to you according to your payment cycle.

6. The member's Blue Plan sends a detailed explanation of benefits (EOB) report to the member.

Types of Claims Filed Through the BlueCard Program

All professional claims as well as facility inpatient and outpatient claims for BlueCard members should be filed to Louisiana Blue. Medicare primary could be paid differently by each Blue plan. Louisiana Blue pays according to the member's participation with us and their participation with Medicare. If the member is of Medicare age and does not indicate that Medicare is primary, we will pay as if Louisiana Blue is primary.

The Federal Employee Program (FEP) and other Louisiana Blue plans will pay according to the member's contract language. However, if it is determined that the member should have been set up initially with Medicare as primary, the provider will be asked to return any reimbursement and the claim will have to be reprocessed with Medicare as primary.

Ancillary Claims Filing Instructions for BlueCard Claims

Ancillary claims for Independent Clinical Laboratory, Durable/Home Medical Equipment and Supply, and Specialty Pharmacy are filed to the Local Plan in whose service area the ancillary services were rendered—if these services were performed in Louisiana, the Local Plan is Louisiana Blue.

- Independent Clinical Laboratory: Local plan is the plan in whose service area the specimen is drawn. This is determined by the state where the referring physician is located.
- Durable/Home Medical Equipment (DME/HME): Local Plan is the plan in whose service area the equipment was shipped to or purchased at a retail store.
- Specialty Pharmacy: Local Plan is the plan in whose service area the ordering physician is located.

Note: Complete instructions on filing ancillary claims for BlueCard members are included in *The BlueCard® Program Manual*, which is a supplement to this office manual and is located on our Provider page.

FEDERAL EMPLOYEE PROGRAM

Beginning January 1, 2025, the Federal Employee Program (FEP) now offers two separate health benefit programs:

- The Federal Employee Health Benefits (FEHB) program provides benefits to federal employees and their dependents.
- The Postal Service Health Benefits (PSHB) program provides benefits to postal service employees and their dependents.

FEHB and PSHB members have three benefit plan options to choose from: FEP Blue Standard™, FEP Blue Basic™ or FEP Blue Focus®. Under FEP Blue Standard, members receive the highest level of benefits when they receive care from network providers and reduced benefits when they receive care from out-of-network providers. Members with FEP Blue Basic and FEP Blue Focus have no benefits when they receive care from out-of-network providers, except for select situations such as emergency care. These members access the Preferred Care PPO Network.

FEP Blue Standard

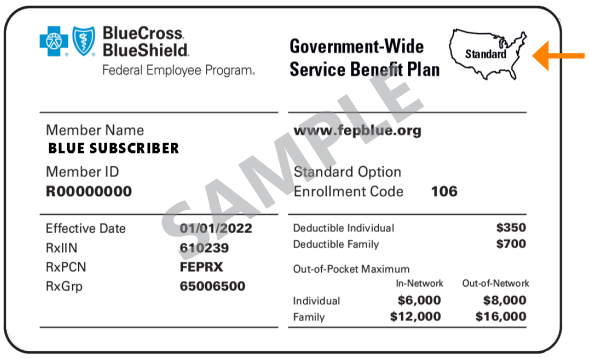
With FEP Blue Standard, members do not need referrals for any provider, including out-of-network providers. However, if a member chooses to use non-Preferred Care PPO providers, their out-of-pocket expenses will be greater.

Office Visits: Members have a $30 copayment when they see a PCP. If members go to a specialist, they have a $40 copayment for the office visit.

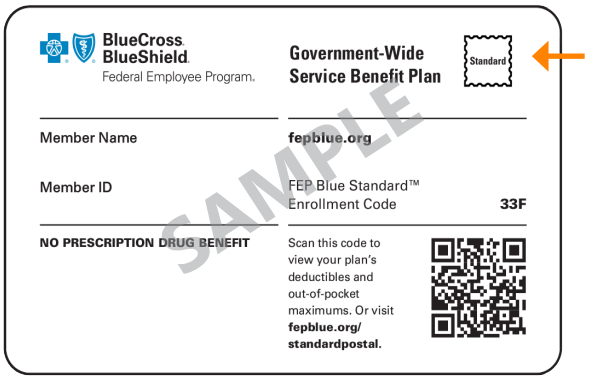
Preventive Care Services: Members are covered at 100% for covered preventive services performed by preferred providers.

Maternity Care: Members pay nothing for covered physician and hospital services related to maternity care when they use Preferred Care PPO providers.

FEP Blue Standard FEHB Member ID Card



FEP Blue Standard PSHB Member ID Card



FEP Blue Basic

With the FEP Blue Basic, members must use preferred providers for all their medical care. Benefits are only available for care provided by out-of-network providers in certain situations, such as emergency care. With FEP Basic Option, there is no calendar year deductible. FEP Basic Option benefits are paid in full or in full after members pay a copayment amount when they use Preferred Care PPO providers.

Office Visits: Members have a $35 copayment for office visits to PCPs. If members go to a specialist, they pay $50 for the office visit.

Preventive Care Services: Members are covered at 100% for covered preventive services performed by preferred providers. During these visits, members are also covered at 100% for many preventive services such as mammograms, sigmoidoscopies, Pap smears, prostate and colorectal cancer screenings. Preventive care benefits are limited to one per calendar year.

Maternity Care: Members pay nothing for covered prenatal and postnatal care rendered by a Preferred Care PPO provider. Benefits for the inpatient hospital admission to a Preferred Care PPO hospital for the delivery are paid in full, after the member pays a $350 copayment.

FEP Blue Focus

FEP Non-network or No Network Claims Processing

Louisiana Blue pays FEP members directly for all services performed by any provider who does not have an agreement with us.

There are two classifications of non-contracted providers:

1. A non-participating provider is defined as one that has chosen not to sign a network agreement with Louisiana Blue.
2. A non-network or no network provider is a provider/specialty type that Louisiana Blue does not offer network agreements to.

Note: An out-of-network provider is defined as a provider that has signed a network agreement with Louisiana Blue but is not in the specific network tied to the member's benefit.

CONSUMER-DIRECTED HEALTHCARE

Consumer-directed healthcare (CDHC) is a movement in the healthcare industry designed to empower members, reduce employer costs and change consumer healthcare purchasing behavior. CDHC provides the member with additional information to make informed and appropriate healthcare decisions through the use of member support tools, provider and network information, and financial incentives. CDHC includes many different benefit plans and services including consumer-directed health plans (CDHP), high deductible health plans and the option to use debit cards for payment. In conjunction with these plans, members may have a health reimbursement account (HRA), health savings account (HSA) or flexible spending account (FSA).

When the consumer is paying more of the bill, you may need to devote resources to conducting pre-service work with patients. Consumers on a high deductible health plan may require more specialized service work due to the questions on cost and options.

Consumer Directed Health Plans

High-deductible health plans (HDHPs) partnered with member personal savings accounts (PSAs)—such as an HSA, an HRA, or a FSA—form a CDHP. The type of account used in these arrangements has strong implications to the administration of the CDHP, as the IRS regulations governing these tax-favored PSAs vary significantly.

Once members have met their deductible, covered expenses are paid based on the member's benefit plan. As a participating provider, you should treat these members just as you would any other Louisiana Blue member:

- You should accept the Louisiana Blue reimbursement amount/allowable charge (up to the member's deductible amount) and any coinsurance amount, if applicable, as payment in full.

- If you collect billed charges up front, you must refund the member the difference between your charge and the Louisiana Blue reimbursement amount/allowable charge within 30 days.

Examples of what to collect from members:		
1) Member's Total Deductible	$2000	
Member's Deductible Applied	$2000	
Allowable Charge	$ 100	**Member Has Met Deductible**
Amount to be collected from member	**$ 0**	
Louisiana Blue Pays	$ 100	
2) Member's Total Deductible	$2000	
Member's Deductible Applied	$1000	**Member Has NOT Met Deductible**
Allowable Charge	$ 100	
Amount to be collected from member	**$ 100**	
3) Member's Total Deductible	$2000	
Member's Deductible Applied	$2000	
Allowable Charge	$ 100	**Member with Coinsurance**
Member's Coinsurance (20%)	$ 20	
Amount to be collected from member	**$ 20**	
Louisiana Blue Pays	$ 80	

Many CDHC members whose plan includes a debit card can pay for out-of-pocket expenses by swiping the card through any debit card swipe terminal. These cards are used just like any other debit card. The funds will be deducted automatically from the member's appropriate HRA, HSA or FSA account. If your office currently accepts credit card payments, there is no additional cost or equipment necessary. The cost to you is the same as the current cost you pay to accept any other signature debit card.

Some cards are "stand-alone" debit cards that cover out-of-pocket costs, while others also serve as a member ID card and include the member ID number. The combined card will have a nationally recognized Blue logo, along with the logo from a major debit card company such as MasterCard® or Visa®.

Combining a health insurance ID card with a source of payment is an added convenience to members and providers. Members can use their debit cards to pay outstanding balances on billing statements. They can also use their cards via phone in order to process payments. In addition, members are more likely to carry their current ID cards, because of the payment capabilities.

If the member presents a debit card (stand-alone or combined), be sure to verify the member's cost share amount before processing payment. Do not use the card to process full payment up front.

Note: If you have questions about the healthcare debit card processing instructions or payment issues, please contact the toll-free debit card administrator's number on the back of the card.

Claims Filing Tips

Below are some helpful tips that will guide you when processing claims for and payments from Blue members with a CDHP:

- Commit to pre-service work with patients. Contact to confirm appointment and ask them to bring a copy of their current member ID card. Offer to discuss out-of-pocket expenses prior to their visit.
- Ask members for their current member ID card and regularly obtain new photocopies (front and back) of the member ID card. Having the current card will enable you to submit claims with the appropriate member information (including prefix) and avoid unnecessary claims payment delays.
- Verify the member's eligibility or benefits through iLinkBlue and provide the prefix, or use electronic capabilities.
- Carefully determine the member's financial responsibility before processing payment.
- If the member presents an HSA or HRA debit card or debit/ID card, be sure to verify the member's cost sharing or out-of-pocket amount before processing payment.
- Please do not use the card to process full payment up front.
- File claims for all members with CDHPs (including those with BlueCard) to Louisiana Blue.

Note: If you have any questions about the healthcare debit card processing instructions or payment issues, please contact the debit card administrator's toll-free number on the back of the card.
